

COLLIN
COLLEGE

Collin College delivers essential academic and workforce education to more than 58,000 students in one of the fastest-growing regions of the country. The college district remains committed to adapting and expanding its offerings to meet the diverse needs of its student body while remaining fiscally responsible to its residents.

Collin has maintained its dedication to accessible education through the expansion of its campuses throughout Collin County. Now serving students at 12 campuses, including the iCollin Virtual Campus, Collin College strives to cultivate educational opportunities for its local communities.

The college continues to develop programs in response to community needs including a new Bachelor of Applied Science (BAS) in Clinical Operations Management and several workforce programs designed to prepare students for high-wage, high-demand careers.

With exceptional tuition, award-winning programs, state-of-the-art facilities, and your invaluable support, Collin College will fulfill its vision of delivering a brighter future for our students and communities.
