## Advanced Features – Search and Add Your Own Apps

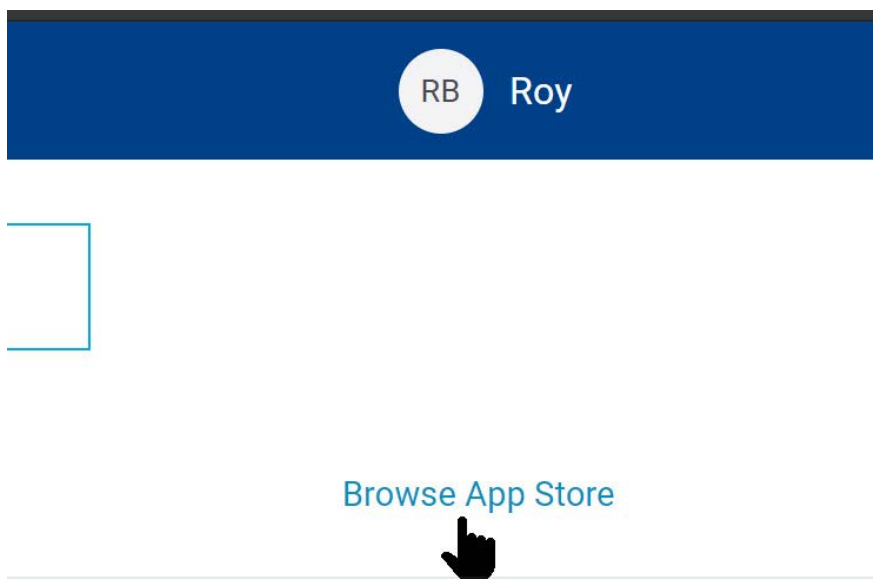

### Search for Applications

1. Type the name of the application you are looking for in the search box.

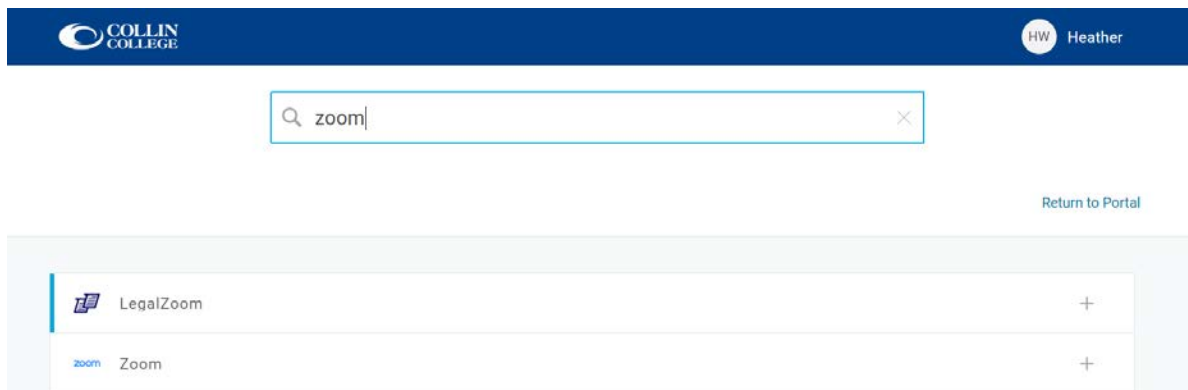

### Add Your Own Apps

1. Click **Browse App Store** on the right-hand side, if you see it.

# Collin College | OneLogin

2. Type the name of the application you would like to add in the **Search for an app to add** textbox, for example Zoom in the image below.

COLLIN COLLEGE
