

Construction Safety

Safety is job number one on construction sites.

You will provide a service not only to your fellow construction workers but also to the people who will live or work in the facilities being built.

Careers in Construction Safety

Construction Safety Engineers
Average Starting Salary: \$78,200
Average Salary: \$123,100
Projected Job Growth: 26%

The average salary listed reflects the mean average wage for workers in this industry, while the average starting wage is tied to workers at the beginning of their careers. The earning potential for employees with certifications and associate of applied science degrees may exceed the average salary.

*Data for Collin County obtained from JobsEQ and O*Net*

Note: Average salary for occupation as of 2025 and job growth projected from 2025-32.
