Choose Your Education

**Associate of Applied Science
Insurance Management**

(60 credit hours)

Level 1 Certificate

Insurance Industry

(15 credit hours)

All courses taken for the Insurance Industry certificate also apply to the Associate of Applied Science (AAS) degree. An AAS degree in Insurance Management from Collin prepares you to enter the job market or pursue a bachelor's degree.

Program Features

- Nine industry-specific courses including Personal Finance, Commercial Insurance, and other special topics.
- Level 1 Certificate program knowledge and skills are helpful in preparing for the Associate in Insurance (AINS) professional designation.
- Credits transfer directly into the bachelor's programs at the University of North Texas and East Texas A&M University.

All classes are offered online through the iCollin Virtual Campus.
