Look, I need you to explain this to me again because I'm not getting it. OK? Hey, I'm talking to you. You see, this is just the problem. You always leave me hanging. What am I supposed to do with that? You know I care. So why put me through this? No. No. Nevermind. It must be me. It must be my problem. Must be. But whatever it is, we're stuck. Don't you feel it? We're stuck. Maybe we should just give up.
