

Advance Your Future

with the Fostering Success program at Collin College

Were you ever in foster care?

Fostering Success at Collin College is designed to provide additional support for students who have ever been in the foster care system at any age (including out-of-state or adopted).

Program services include:

- Staff committee outreach and support
- Student resources and benefit information
- College assistance from registration through graduation and more!

Scan the QR code or type “**Foster Care Resources**” in the search bar on www.collin.edu to find out more about the program, event dates, and additional resources. Contact a committee member to join!
