

# NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.081220 per \$100 valuation has been proposed by the governing body of Collin County Community College District.

PROPOSED TAX RATE	\$0.081220 per \$100
NO-NEW-REVENUE TAX RATE	\$0.079918 per \$100
VOTER-APPROVAL TAX RATE	\$0.087087 per \$100

The no-new-revenue tax rate is the tax rate for the 2025 tax year that will raise the same amount of property tax revenue for Collin County Community College District from the same properties in both the 2024 tax year and the 2025 tax year.

The voter-approval rate is the highest tax rate that Collin County Community College District may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Collin County Community College District is proposing to increase property taxes for the 2025 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON August 26, 2025 AT 5:30 PM AT the Collin Higher Education Center Board Room, 3452 Spur 399, McKinney, TX 75069.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Collin County Community College District is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Board of Trustees of Collin County Community College District at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
