Honorable Chairman, Board of Trustees, and District President Collin County Community College District McKinney, TX

Dear Board Members and Residents of the Collin County Community College District:

We are pleased to present the fiscal year 2018-19 Annual Budget for Collin County Community College District. The proposed budget is a collaborative effort guided by the Leadership Team and the Vision 2020 Integrated Strategic and Master Plan. Every organization of the college has had input into this budget through the submission of budget requests that are then reviewed and recommended by the Leadership Team. The College budget process is designed to maximize the use of every available dollar for continued improvement in student success.

Revenue projections are conservative and, therefore, considered reasonably attainable. The proposed total unrestricted revenue for fiscal year 2018-19 of \$194,640,352 represents an increase from fiscal year 2017-18 due mainly to an increase in tax revenues based on increased property values in Collin County. The total property tax rate is \$0.081222 cents per \$100 valuation of taxable property located within the County. This total rate is allocated at \$0.078190 cents for maintenance and operation of the College and \$0.003032 cents for principal and interest on outstanding general obligation bonds. Tuition revenue increases for fiscal year 2018-19 are due to a tuition rate increase approved by the Board of Trustees of \$4 per semester credit hour for in-district students, \$8 per semester credit hour for out-of-district students and \$13 per semester credit hour for other residency classifications. Also, a 3% growth in enrollment was assumed.

This budget reflects the contributions of the Leadership Team and the College staff. It is responsive to students and taxpayers who expect affordable and accessible community college education through quality services enhanced by excellent financial stewardship.

The preparation of this report could not have been accomplished without the services of the entire Administrative Services staff. We would like to express our appreciation for their efforts toward advancing the quality and effectiveness of the College budget. Credit should also be given to the President and the Board of Trustees for their support in maintaining the highest standards of professionalism with regard to the financial operations of Collin College.

Respectfully submitted,

Administrative Services Division

BOARD OF TRUSTEES

Dr. J. Robert Collins *Chairman*

Jim Orr Secretary

Dr. Stacey Donald

Steve Matthews

The Board of Trustees is a nine member governing board that serves without compensation and is elected at large for six-year terms of office by the voters of Collin County. The Board manages and governs the Collin County Community College District, provides policy direction, establishes goals, and appoints the faculty and staff. The Board is also responsible for the levy, assessment, and collection of taxes, the issuance of bonds, the adoption of an annual budget, the execution of contracts, and the performance of an annual audit. The Board of Trustees sets admission campus standards consistent with the role and mission of the District. Regular board meetings are held the fourth Tuesday of each month and are open to the public. The Collin County **Community** College **District** Trustees are committed to the mission and vision of the college. The Board of Trustees provides leadership and direction, as well as represents the college in a wide range community activities and committees.

Overview of District

History and Governance

The Collin County Community College District (the "District") was established as a public community college in an election held in Collin County, Texas, on April 6, 1985, in accordance with the laws of the State of Texas, to serve the educational needs of the community. The student body comes primarily from residents of Collin County and surrounding communities. The District is considered to be a special purpose entity, primarily government, according to the definition in Governmental Accounting Standards Board (GASB) Statement 14, *The Financial Reporting Entity*. While the District receives funding from local, state and federal sources and must comply with the spending, reporting and record keeping requirements of these entities, it is not a component unit of any other governmental entity.

The District is governed by an elected, nine-member Board of Trustees (the "Board") that holds regularly scheduled meetings on the fourth Tuesday of each month. At each election (the first Saturday in May in odd-numbered years) Trustees are elected at large to serve in a six-year term. The Board has the final authority to determine and interpret the policies that govern the District and has complete and full control of the District's activities, limited only by the state legislature, the courts and the will of the people as expressed in the Board of Trustee elections. Official Board action is taken only in meetings that comply with the Open Meetings Act and are based on a majority vote of a quorum (five members) of the Board.

In general, the Board provides policy direction and sets goals for the District consistent with the District's role and mission. Besides general Board business, trustees are charged with numerous statutory regulations, including appointing the tax assessor/collector, ordering elections and issuing bonds. The Board is also responsible for appointing the President, setting the tax rate, preparing and adopting a budget for the ensuing fiscal year and employing faculty and other District employees.

District Profile

Collin County is located in the Dallas metropolitan area of North Central Texas and consists of 889 square miles. Collin County continues to be one of the fastest growing areas in the region. The U.S. Census shows a growth rate of 24.0% from 2010 to 2017 in Collin County. The population according to the United States Census Bureau was 782,341 in 2010 and the estimated population as of 2017 is 969,603.

The economic base in the county consists of service industries, trade industries, manufacturing, computer technology, electronics, healthcare, finance, insurance, construction, oil and gas, research and agriculture. Major industries with headquarters or divisions located within the district include petroleum research, telecommunications, computer technology, electronics, retail, food industry, vehicle manufacturers and insurance corporations.

Residents of Collin County are typically well-educated, with an estimated 50.2% of the workforce possessing a bachelor's degree or higher according to the U.S. Census Bureau. The local economy has become more diverse as new businesses have migrated into the area. Given the desirability of the location, the wealth of well-trained individuals, the excellence of the school districts and the proximity to family entertainment, including shopping, fine arts, professional sports and entertainment parks, the District is optimistic that Collin County will continue to prosper.

The official service area of Collin County Community College, as defined by the Texas Legislature is the following:

all of Collin and Rockwall counties, and

 those portions of Denton County within the cities of Frisco and The Colony, and those portions of the county included within the Celina and Prosper school districts

The District offers classes at eight dedicated locations within Collin County and many high schools throughout Collin and Rockwall Counties. General academic (core) and technical and occupational courses are offered at the Plano Campus, the Frisco Campus, the McKinney Campus and the Rockwall Center. Some specific areas of study are only located at a single campus. Since offering its first classes at area high schools in 1985, Collin County Community College District has expanded to serve approximately 54,000 credit and continuing education students per year.

Plano Campus:

The Plano Campus is located at 2800 East Spring Creek Parkway in Plano, Texas. Classes at the Plano Campus are general academic (core) and workforce classes. Workforce programs include Biotechnology, Interpreter Education, Animation and Game Art, Digital Video, Commercial Photography, Music and Child Development. The campus also houses a Child Development Lab School, a 30,000 square foot Arts Gallery, the 356-seat John Anthony Theatre and the Brinker Tennis Stadium. Basketball and tennis, with competition as a member of the NJCAA Division I, are offered at the Plano Campus.

Frisco Campus:

The Frisco Campus is located at 9700 Wade Boulevard in Frisco, Texas. The Frisco Campus offers general academic (core) courses as well as the Institute of Hospitality and Culinary Education and is the home of the Convergence Technology Center, one of only 36 National Science Foundation Centers. The campus is pioneering a "Green IT" program along with established programs in computer-aided drafting, computer networking and computer science.

McKinney Campus:

The McKinney Campus is located at 2200 West University Drive in McKinney, Texas. Along with general academic (core) classes, Dental Hygiene, Emergency Medical Services Professions, Nursing, Respiratory Care, Health Information Technology, Surgical Technology and Polysomnography programs are offered at the McKinney Campus. Also housed in McKinney are a surgical technology room, dental clinic, hospital lab and an Honors Institute.

Public Safety Training Center:

The Public Safety Training Center will open in the fall of 2018 and is located at 3600 Redbud Boulevard in McKinney, Texas. The Center will serve as the home for the Fire Science and Law Enforcement academies at Collin College and will also provide expanded training and professional development opportunities for local fire departments and law enforcement agencies.

Courtyard Center:

The Courtyard Center opened in 1993 and is located at 4800 Preston Park Boulevard in Plano, Texas. Courses offered at the Courtyard Campus include career development, contract and corporate training and personal enrichment. The Continuing Education and Workforce Development offers foreign language training, a wide selection of workforce development classes and Seniors Active in Learning (SAIL). The Center for Workforce and Economic Development provides customized training to qualifying area businesses. The Corporate College at Collin addresses the training, development and talent retention needs of small, medium and large businesses throughout Collin County. The Collin Small Business Development Center offers no cost, customized business consulting and training to help entrepreneurs grow successful businesses. Through the collaboration of Collin College, the U.S. Small Business Administration and the State of Texas, the Collin SBDC promotes business success by providing management education.

Allen Center:

The Allen Center is located within Allen High School at 300 Rivercrest Boulevard in Allen, Texas. This center offers dual credit, regular credit and continuing education classes. The center houses the dual credit partnership program that provides high school students the opportunity to earn dual credit. In addition, continuing education classes are offered at this center to the local community.

Rockwall Center:

The District offers courses to the community in Rockwall at Rockwall ISD College & Career Academy located at 2301 S. John King Boulevard in Rockwall, Texas. Community members may enroll in day or evening classes designed for transfer to universities.

Collin Higher Education Center:

The Collin Higher Education Center opened in 2010. It is located at 3452 Spur 399 in McKinney, Texas. This location houses the administrative departments of the District and classroom space for academic programs. The center also houses several area university partners offering a variety of bachelor's, master's and doctoral degrees.

Dual Credit:

One of the fastest growing initiatives at the District is its dual credit program. High school students take college classes and receive credit both for their high school diploma and their college degree. More than two thirds of the college district's service area high schools now offer 30 or more dual credit hours. 5,609 students were enrolled in dual credit classes throughout Collin County in the fall of 2017. This is an increase of 18% over the fall 2016 period.

Degrees/Academic Programs for Students:

The College is accredited by the Commission on Colleges of the Southern Association of College and Schools (SACS) to award associate degrees and certificates. An associate degree is an award that normally requires at least two but less than four years of full-time equivalent college work. The District offers four degrees: Associate of Arts, Associate of Arts in Teaching, Associate of Science, Associate of Applied Science and multiple certificates.

Regional Accreditation:

Collin County Community College District was successfully reaffirmed in June of 2015. In order to maintain its status as an institution accredited by the Southern Association of Colleges and Schools Commission on

Fiscal Year ending August 31, 2019

Colleges (SACSCOC), the regional accrediting body for higher education institutions in Texas, the District must submit the annual reports, reaffirmation follow-up reports and substantive change reports required between reaffirmation years. The next reaffirmation is in 2025.

Quality Enhancement Plan

The District's Quality Enhancement Plan (QEP) was approved by SACSCOC in June of 2015. The Collin College QEP focuses on Academic Planning. Budget in the amount of \$205,966 was established for fiscal year 2018-19 to support the phased-in implementation of the plan, including the recommendations made by SACSCOC.

Mission Statement

Collin County Community College District is a student and community centered institution committed to developing skills, strengthening character and challenging the intellect. The vision of "Delivering a brighter future for our students and communities" is a significant part of the District's Master Plan.

Core Values

Learning

Service and Involvement
Creativity and Innovation
Academic Excellence
Dignity and Respect
Integrity

Budget Development and Analysis

The budget is a key decision making tool for accomplishing the mission of the District. The Board of Trustees, college officials and college staff use it to make informed decisions regarding provision of services and expenses for capital assets. The process of developing and preparing the budget involves college employees from across the district, looking at long-term perspectives, organizational goals, outcomes, assessments and improvement strategies.

Budget and Accounting Process

Each community college district in Texas is required, by law, to prepare an annual operating budget of anticipated revenues and expenses for the fiscal year beginning September 1. The budget cannot be implemented until adopted by the Board of Trustees. A copy of the approved budget must be filed with the Texas Higher Education Coordinating Board, Legislative Budget Board, Legislative Reference Library and Governor's Office of Budget and Planning by December 1.

Budget Development

The budget development process begins in January by evaluating projected revenues and expenses for the upcoming year. An initial base allocation is created for each district organization. Organizations within the District receive lists of full-time employees to review for accuracy and adjustments are made for vacant positions.

Budget allocations are prepared based on budgets from the prior years with reductions for non-recurring expenses and allotments for roll-over encumbrances. Full-time and part-time faculty salaries are also removed from organizational allocations and budgeted by Administrative Services. If necessary, due to financial constraints, allocations may be lowered. The allocations are distributed to leadership team members in March. Leadership team members meet with their direct reports to prepare their budget and supplemental requests. The District's Strategic Plan, Vision 2020, Program Review recommendations and Continuous Improvement Planning cycles are considered when preparing organization budgets.

The budgets for each organization and all requests for supplemental items are due to the budget office in May. Supplemental items can include capital requests, additional personnel, and other expenses needed that exceed the initial allocation. The initial budget and supplemental requests are compiled by the budget office and distributed to the Leadership Team for review prior to formal budget meetings held with Administrative Services.

During the formal budget meetings, each leadership team member is given an opportunity to explain their submitted budget requests, including supplemental requests. The Board of Trustees' Finance and Audit Committee further reviews the draft budget and recommends a proposed budget to the District Board for approval. Once approved by the Board of Trustees, the final budget is distributed to the organizational managers and various entities. Budget adjustments resulting in a net increase or decrease to the overall District budget are approved throughout the fiscal year at monthly board meetings.

Subsequent budget transfers are reviewed and approved by the responsible organizational managers. Any budget variances during the year are investigated and corrected monthly by organizational managers and Business Administrative Services.

Accounting Policies

The accounting policies followed by the District in preparing the financial statements are in accordance with the Texas Higher Education Coordinating Board's Annual Financial Reporting Requirements for Texas Public Community and Junior Colleges. The District applies all applicable Governmental Accounting Standards Board (GASB) pronouncements and all applicable Financial Accounting Standard Board (FASB) statements and interpretations issued on or before November 30, 1989, unless they conflict or contradict GASB pronouncements. The District has elected not to apply FASB guidance issued subsequent to November 30, 1989, unless specifically adopted by GASB. The District is reported as a special-purpose government engaged in business-type activities. The District complies with the financial statement presentation required by the Texas Higher Education Coordinating Board (THECB).

Relationship between Budget and Financial Statement Presentation

While the budget presentation format is based on the financial statement presentation format, the following is a summary of major differences:

- In order to ensure compliance and control with various regulatory entities, the budget is maintained utilizing fund accounting principles. Governmental Accounting Standards Board (GASB) requires the audited financial reporting statements combine all funds into a single column for presentation purposes. The budget therefore does not include any adjustments required to consolidate the various funds.
- Effective with fiscal year ending 2014-15, GASB 68 requires the District to record a pension liability related to our proportionate share of the Texas Retirement System unfunded liability. The information to project pension expense is not available until after the end of the fiscal year, therefore no estimation has been made in this year's budget. The District anticipates being able to budget pension expense once historical trends are available.
- Transfers and debt principle payments are presented as expenses for budgetary purposes. These
 types of items are not recognized as expenses under generally accepted accounting principles
 (GAAP).

Organizational Structure

Collin County Community College District is governed by the Board of Trustees elected district-wide. The District President reports to the Board of Trustees. The operation and management of the District is carried out by a senior management structure reporting to the President.

Each member of the President's Cabinet listed below is an integral part of the District operations.

- District President
- Executive Vice President
- > Senior Vice President Academic Workforce and Enrollment Services
- Chief Financial Officer
- Senior Vice President Organizational Effectiveness
- ➤ Chief Public Relations Officer

- The District President serves as Chief Executive Officer of the Collin County Community
 College District ensuring that the District's strategic direction and operations are consistent
 with its mission, purpose and core values and in compliance with state and federal laws,
 regulations and accreditation guidelines.
- The Executive Vice President reports to the President. As the Chief Academic Officer, the
 Executive Vice President provides executive leadership and the strategic direction for
 academic affairs, campuses and instructional sites throughout the District. The Executive
 Vice President is second in command and has responsibility for the Vice President/Provosts
 of each campus.
- The Senior Vice President of Academic Workforce and Enrollment Services is responsible for programs and services that support academic and enrollment services, workforce and economic development and student success initiatives. Working closely with other senior administrators, the Senior Vice President leads an on-going, comprehensive effort districtwide to facilitate and manage programs and services consistent with the district's strategic plan goals, policies and budgetary guidelines.
- The Chief Financial Officer provides broad direction and guidance for all areas of business
 and financial services, purchasing, facilities planning and construction, safety and security
 and auxiliary services within the district.
- The Senior Vice President of Organizational Effectiveness assists the District President in addressing a broad range of organizational effectiveness issues within the college and works collaboratively with the Executive Leadership Team to guide organizational change. The Senior Vice President facilitates college planning, research, evaluation, accountability and reporting processes, ensures college information technology and systems effectively support essential functions and planning, directs and evaluates the District's Human Resource Program ensuring compliance with federal and state legislation.
- The Chief Public Relations Officer develops and coordinates the public relations, public information and marketing efforts of the college to enhance the District's image, expand public awareness and build support for the District.

Revenue Sources

The District receives its revenues from a variety of sources. Total unrestricted revenues for fiscal year 2018-19 are projected to increase by \$22,515,055 or a 13.08% overall increase from fiscal year 2017-18 budgeted revenues. Total restricted revenues are projected to decrease by \$242,764,878 or an 84.05% overall decrease from fiscal year 2017-18 due to the receipt of bond funds of \$252,308,337 in fiscal year 2017-18. Total transfers are projected to decrease by \$31,493,910 or 40.14%.

State Appropriations

The budgeted revenue from state appropriations is the amount of funds authorized by the Texas legislature. Institutions are primarily funded from the state based on student contact hours. A contact hour is a standard unit of measure that represents an hour of scheduled academic and technical instruction given to a student during a semester. For example: a 3 credit hour English class meets for 3 hours per week for 16 weeks. 3 credit hours X 16 weeks = 48 contact hours. Funding is divided

between the three categories below and includes the following amounts:

•	Core Operations	\$ 680,406
•	Student Success	\$ 3,735,127
•	Contact Hour Funding	\$ 31,084,468
	Total	\$ 35,500,001

Tuition and Fees

Budgeted tuition and fees increased \$5,534,164 or 13.52%. A tuition increase of \$4 per credit hour for in-district residents, \$8 per credit hour for out-of-district residents, and \$13 per credit hour for out-of-state/out-of-country residents is effective beginning in the fall of 2018. An increase in enrollment of 3% was assumed.

Property Taxes

Tax revenues increased by \$13,470,284 or 14.03%. Property Tax estimates are based on the certified assessed property values estimated by the Collin County Appraisal District. The District's Maintenance and Operations (M&O) rate is proposed at \$0.078190 per \$100 valuation. The total tax rate (including an assessment of \$0.003032 per \$100 valuation for debt service on general obligation bonds) is \$0.081222 per \$100 valuation. The maximum debt rates authorized are \$0.12 per \$100 valuation for debt service and \$0.08 per \$100 valuation for maintenance and operations.

The District is also subject to the procedural processes and limits as defined in the Texas Comptroller of Public Accounts' "Truth-in-Taxation" manual. These procedures require various public notices and hearings which are usually conducted in August.

Property values increased fiscal year 2018-19 by 10.28%.

Investment Income

Total Investment income is projected to increase by \$3,429,000. This includes an increase of \$1,489,000 in the Current Unrestricted Fund, \$800,000 in the Stabilization and Startup Fund and \$1,140,000 in the Building Fund.

Miscellaneous Income

Miscellaneous income is projected to decrease by \$185,163. This is due mainly to the expiration of the City of Frisco TIF.

Auxiliary

Auxiliary Enterprises revenue increased by \$266,770 due mainly to an increase in Bookstore commission of \$165,000 and an increase in Food Services/Vending of \$82,850.

Grants and Contracts

Revenue from grants and contracts is budgeted by evaluating the anticipated grants and contracts the District will be awarded during the year and estimating their percent of completion during the year.

Revenues from Grants and contracts are projected to increase by \$5,201,663 primarily due to an increase in Federal Pell Grant awards. The various increases and decreases can be found in the Grant Fund Budget in the Budget section of this document.

State Allocation – Benefits

The District receives an allocation from the state for medical benefits and fifty percent support for retirement benefits. Since the District is required to show the benefits as on-behalf benefits provided by the State in the Comprehensive Annual Financial Report (CAFR), these benefits are being incorporated into the budget process as revenues. The allocation for medical benefits increased by \$234,928, while an increase in retirement benefits is projected due to an increase in salaries.

Debt Service - General Obligation Bonds

Debt Service increased by \$3,873,351 or 122.38% for fiscal year 2018-19. This is due to an increase in Debt Service Taxes and Investment Income.

Transfers

Total transfers decreased \$31,493,910 or 40.14% due mainly to a \$57,036,711 transfer from the 2018 Limited Tax Bond Fund to the Building Fund in fiscal year 2017-18.

Expenses

For fiscal year 2018-19, total unrestricted expenses are projected to decrease \$5,656,978 or 2.96%. Total restricted expenses are projected to increase by \$154,155,000 or 307.63%. Total Transfers/Reserves are decreasing by \$31,493,910 or 40.14%.

Instruction

For fiscal year 2018-19, Instruction expenses increased by \$3,788,836 or 5.48% from fiscal year 2017-18. The majority of the increase is due to new faculty positions, projected annual raises and an increase to the part-time faculty reserve for salaries.

Public Service

For fiscal year 2018-19, Public Service expenses decreased by \$49,354 or 48.04% due to a reduction in the part-time faculty reserve for salaries.

Academic Support

For fiscal year 2018-19, expenses in Academic Support are expected to increase by \$1,256,841 or 9.70%. This increase is due to five new positions, projected annual raises and the addition of a budget for the new Wylie campus.

Student Services

For fiscal year 2018-19, expenses in Student Services decreased by \$287,690 or 1.98%. This was

due mainly to a reduction of \$1.3 million in the Innovation Fund budget offset by fiscal year 2017-18 recurring supplemental items and projected annual raises.

Institutional Support

For fiscal year 2018-19, expenses in Institutional Support increased by \$15,591,175 or 38.21%. The majority of this increase is due to expenses of \$10 million related to the District's Safety Plan. Additional factors include an increase to the Contingency Reserve, fiscal year 2017-18 recurring supplemental items and projected annual raises.

Operation and Maintenance of Plant

For fiscal year 2018-19, expenses for Operation and Maintenance of Plant increased by \$1,815,857 or 13.13%. This is due mainly to the addition of budget for the new Public Safety Training Center and an increase in the Reserve for Renewal and Replacement.

Auxiliary Enterprise

Auxiliary Enterprises expenses increased by \$33,117 or 1.28%. This is due to the addition of Catering Services at the Plano Campus.

Supplemental Requests

Additional requests by organizations that were not included in each allocation are accounted for in the Supplemental Reserves. The total amount of the requests including both Unrestricted and Auxiliary Funds is \$6,492,612 with \$4,125,305 being recurring items or personnel and \$2,367,307 being non-recurring. A list of the positions and items may be found at the beginning of the supplemental information section of this document.

M & O Revenue Bonds

The Series 2008 Revenue Bond was retired in fiscal year 2017-18 leading to a \$1,111,261 decrease in expense.

Building Fund

Expenses for the Building Fund decreased by \$28,048,187 or 77.61%. A \$36 million decrease is due to current construction costs being funded by the 2018 Limited Tax Bond Fund in fiscal year 2018-19. Expenses of \$8 million are budgeted for the new Police Headquarters at the McKinney Campus.

General Obligation Bonds

The Series 2018 bond interest and principal payments will total \$17,446,461. The Series 2010 bond interest and principal payments will total \$3,072,875.

2018 Limited Tax Bond Series Fund

Expenses in the 2018 Limited Tax Bond Series Fund for fiscal year 2018-19 are estimated at \$144,710,002 and include costs for the Technical Campus in Allen, campuses in Wylie, Celina and

Farmersville, the IT Center of Excellence in Frisco and Traffic Infrastructure and Wayfinding.

Depreciation

Depreciation Expense for fiscal year 2018-19 is projected at \$9,456,453, an increase of \$299,067 from fiscal year 2017-18. The increase is due mainly to depreciation on the new Public Safety Training Center.

Collin County Community College District Summary of Revenues and Expenses Fiscal Year Ending August 31, 2019

	_	2018-19 Budget	_	2017-18 Budget		Increase/ (Decrease)	Percent Change
Revenues							
Unrestricted Funds State Appropriations - General Revenue	\$	35,500,001	\$	35,500,001	\$		0.00%
Tuition and Fees	J	46,479,146	Ψ	40,944,982	Φ	5,534,164	13.52%
Scholarship Allowances		(5,500,000)		(5,500,000)		-	0.00%

 $\ensuremath{\mathsf{Bold}}$ fonts indicate ratios that do not meet the state standard.

Zero to one financial stress indicators, which indicates no financial stress.

Two to three financial stress indicators, which indicates little to moderate financial stress.

Four to seven financial stress indicators, which indicates financial stress.

Composite Financial Index, Core Financial And Other Financial Ratios

<u>Primary Reserve Ratio</u> – measures financial strength and flexibility by comparing expendable net assets to total expenses. This measure answers the question, "How long can the institution survive without additional net position generated by operating revenue?" The 2014 statewide ratio for public community colleges is .44, which is an increase from .39 in 2013. A ratio of 0.14 or greater is the standard used by the THECB.

<u>Viability Ratio</u> – measures the financial health of the institution by comparing total expendable net assets to certain noncurrent liabilities. The 2014 statewide ratio for public community colleges is 1.16, which is an increase from 1.08 in 2013. A ratio of 0.42 or greater is the standard used by the THECB.

Return on Net Position – measures total economic return during the fiscal year. The 2014 statewide ratio for public community colleges is 3.00 percent, which is a decrease from 3.86 percent in 2013. A positive return is the standard used by the THECB.

Operating Margin – indicates an operating surplus or deficit in the given fiscal year. The 2014 statewide margin for public community colleges is 5.90 percent, which is an increase from 5.13 percent in 2013. A positive margin is the standard used by the THECB.

Composite Financial Index – CFI numbers generally range from 0.0 to 10.0, although it is possible to have a number higher than 10.0. It is also possible to have a CFI below zero. The 2014 combined CFI for public community colleges is 3.27, which is an increase from 3.06 in 2013. An index number of 2.0 or greater is the standard used by the THECB.

<u>Equity Ratio</u> – An equity ratio is a comparison of net assets to total assets and is used when institutions have no outstanding indebtedness. The 2014 statewide ratio for public community colleges is 48.8 percent, which is an increase from 48.1 percent in 2013. A ratio of 20 percent or greater is the standard used by the THECB.

<u>Leverage Ratio</u> - The leverage ratio measures the amount of debt in relation to net assets and provides an indication of the amount of debt service the institution must absorb into the future relative to existing resources. General obligation bonds are excluded for this calculation. The 2014 statewide ratio for the public community colleges is .28, which is a decrease from .32 in 2013. A ratio of less than 2.0 is the standard used by the THECB.
