*I certify that my answers are true and complete to the best of my knowledge. Formal application to the basic firefighter certificate program does not guarantee admission to the program or the college. I understand that false or misleading information in my application or interview may result in my release from the program.*

\* \_\_\_\_\_  
**APPLICANT'S SIGNATURE** **DATE**

*Collin County Community College District is an equal opportunity institution and provides education and employment opportunities without discrimination on the basis of race, color, religion, sex, national origin, age, disability or veteran status in accordance with federal law.*

**PHYSICAL ABILITY TEST RELEASE**

**EVENT 1: STAIR CLIMB**

Task Description: The applicant shall climb a 2-story stairwell for a total of five times.  
Time allowed: **4 minutes.**

**EVENT 2: SLEDGE SWING**

Task Description: The applicant shall repeatedly swing a sledge hammer in a chopping motion at a weighted object using enough force to move the object a total distance of approximately 5 feet.

**EVENT 3: 1- 3/4" HOSE DRAG**

Task Description: 4 connected lengths of 1 3/4" dry hose with a nozzle attached will be folded in a standard manner on the ground. The applicant will grasp the hose line and advance 75ft. in a straight line, make a 90 degree turn and continue an additional 25 ft. The applicant shall stop within the marked area and dropping to one knee, pull the hose line until 50ft. of hose is within the marked area.

**EVENT 4: EQUIPMENT CARRY**

Task Description: The applicant shall remove two saws from a tool cabinet and place them on the ground. The applicant shall then pick up both saws and carry them while walking 75ft., turn 180 degrees and continue walking back to the starting point where the applicant shall return the saws back into the tool cabinet.

**EVENT 5: LADDER RAISE AND EXTENSION**

Task Description: The applicant shall approach the top rung of a 24ft. extension ladder, lift the unhinged end from the ground, and walk it up hand over hand until it is stationary against a wall. The applicant shall then immediately proceed to a secured 24ft. ladder, and using the ladder Halyard rope extend the fly section to the top and then back down in a controlled hand over hand fashion.

**EVENT 6: RESCUE**

Task Description: The applicant shall grasp a mannequin approx. 165lbs and drag it 35ft. to a pre-positioned drum, make a 180 degree turn around the drum and return 35ft. to the finish line.

Total time allowed for Events 2-6: **5 minutes, 30 seconds.**

\* The applicants shall walk 85 ft. along an established walkway to and between each event. Time continues to run during the walk between events. Remaining time from Event 1 may not be applied to Events 2-6. Applicants will wear a 50 lb. vest and two 12.5 lb. shoulder weights during Event 1, applicants will wear a 50 lb. vest during Events 2-6.

## **TESTING INFORMATION**

Complete the Writing, Reading and Math Assessment Tests at any Collin College Testing Center. Candidates must meet the minimum score requirement on all assessment tests to be eligible for the Physical Ability Test.

**The assessment tests are specifically designed for our programs and are not the same as the college entrance exams.**

**Everyone is required to take these tests.**

You will need to obtain a Campus Wide ID (CWID) number before being able to take the assessments. Two attempts are allowed per semester.

The minimum scores are as follows:

- **Accuplacer- Next Generation WritePlacer – 4 (four)**
- **Accuplacer- Next Generation Reading – 250**
- **Accuplacer- Next Generation Arithmetic – 250**

To access sample questions for these tests, go to:

<https://accuplacerpractice.collegeboard.org/login> to get the FREE web-based study app.

## **Testing Center Information\***

To register online go to:

[https://www.collin.edu/studentresources/testing/availabletesting/emt\\_fire.html](https://www.collin.edu/studentresources/testing/availabletesting/emt_fire.html)

You can also call the nearest Testing Center at the number listed for the campuses below:

Campus	Farmersville	Frisco	McKinney
Room	107	F209	A206
Phone	(972) 549-6450	(972) 377-1522	(972) 548-6849

## **ACADEMY OVERVIEW SESSION**

The Academy Overview and Physical Ability Demonstration Session provides students the opportunity to learn about the Fire Academy, and participate in the various components of the required Physical Ability Test. Prospective students will learn about job opportunities, entrance requirements, and expectations while enrolled in the Fire Academy. A brief session explaining the Physical Ability Test will include a “hands-on” opportunity to handle the equipment used in the Physical Ability Test. **The Academy Overview session is not mandatory.**

<b>ACADEMY OVERVIEW SESSION</b>	<b>Class #97 Academy</b>
<b>Date</b>	<b>Thursday, October 17, 2024 at 6:00 p.m.</b> Public Safety Training Center, 3600 Redbud Blvd., McKinney, Texas

## **PHYSICAL ABILITY TEST DATES**

**Attendees must submit a completed Fire Academy Application including exam scores, signed Physical Release from a Licensed Physician (see page 4), and transcripts prior to participating in the Physical Ability Test.**

**Reserve your Physical Ability Test date when turning in COMPLETED application.**

<b>Class 97 Physical Ability Test Date</b>	<b>Saturday, November 16, 2024 at 8:30 a.m.</b> Public Safety Training Center, 3600 Redbud Blvd., McKinney, Texas
--	---

## **INTERVIEW DATES**

**Date and times scheduled at the Physical Ability Test**

<b>Class 97 Interview Dates</b>	<b>Tuesday, December 10, 2024 Friday, December 13, 2024</b> Check in at Room 103, Public Safety Training Center, McKinney, Texas
-------------------------------------	---

## COURSE DATES

	<b>Mandatory Orientation</b>	<b>Start</b>	<b>End</b>
<b>Class #97 Day Academy</b>	<b>Friday, February 21, 2025</b> 8:00 a.m. – 5:00 p.m.	February 24, 2025	June 6, 2025

1. Completing this Application Form
2. In addition to the completed program application, the following items must be attached:
  - a. Proof of highest level of education (High School Diploma/G.E.D or college transcript). Official or unofficial copies of verifiable transcripts are acceptable for submission with this application form. *(Please note: Applicant must be in good standing with a 2.0 or higher GPA.)*
- 3. It is the sole responsibility of the applicant to provide complete information required on this application even when other areas within the college may already have the information on file.**

**Personal interviews are mandatory. Interview times will be given upon successful completion of the Physical Ability Testing. Candidates for the program will be selected based on the results of the interview process.**

**Successful candidates for the program will undergo a criminal background check prior to final enrollment into the program.**

## ACADEMY SCHEDULE:

Spring Day Academy	Monday - Friday (8:00 am - 5:00 pm)	One Semester
--------------------	-------------------------------------	--------------

***Note: Students not already certified as an EMT- Basic will have the opportunity to enroll in EMT-Basic Courses (EMSP 1371, EMSP 1501, and EMSP1160) after completing Basic Firefighter Certification course work.***

## **FUNCTIONAL POSITION DESCRIPTION**

### **Texas Commission on Fire Protection Standards Manual**

#### **§421.3 - Minimum Standards Set by the Commission**

1. Structural fire protection personnel. The following general position description for structural fire protection personnel serves as a guide for anyone interested in understanding the qualifications, competencies, and tasks required of the fire fighter operating in the State of Texas. It is ultimately the responsibility of an employer to define specific job descriptions within each jurisdiction.
  - A. Qualifications. Successfully complete a commission approved course; achieve a passing score on written and performance certification examinations; must be at least 18 years of age; generally, the knowledge and skills required show the need for a high school education or equivalent; ability to communicate verbally, via telephone and radio equipment; ability to lift, carry, drag, and balance weight equivalent to the average human weight; ability to interpret in English, written and oral instructions; ability to work effectively in high stress situations; ability to work effectively in an environment with loud noises and flashing lights; ability to function through an entire work shift; ability to calculate weight and volume ratios; ability to read and understand English language manuals including chemical, medical and technical terms, and road maps; ability to accurately discern street signs and address numbers; ability to document in English, all relevant information in prescribed format in light of legal ramifications of such; ability to converse in English with coworkers and other emergency response personnel. Good manual dexterity with ability to perform all tasks related to the protection of life and property; ability to bend, stoop, and crawl on uneven surfaces; ability to withstand varied environmental conditions such as extreme heat, cold, and moisture; and ability to work in low or no light, confined spaces, elevated heights and other dangerous environments.
  - B. Competency. A basic fire fighter must demonstrate competency handling emergencies utilizing equipment and skills in accordance with the objectives in Chapter 1 of the commission's Certification Curriculum Manual.
