

## Texas Workforce Commission - Child Care Apprenticeship Program

**For:** 1. Students seeking a Child Development Associate (CDA) credential in Collin College's Early Childhood Educator program and able to work/are working in a partnering childcare facility as an apprentice for on-the-job learning  
2. Mentors employed by local childcare facilities

**Provides:** Students mentorship and on-the-job Registered Apprenticeship training at a childcare facility, assistance with enrollment, course guidance, access to Pell and Perkins funding support, and a lending library of computers, textbooks, and hotspots for students to remotely access their courses

Mentors up to 75 hours of compensation for training

**More Details:** Partnering child care center directors will identify qualified staff from their centers to participate in the Registered Apprenticeship Program as Mentors.

The grant ends 11/30/23.
