Collin College is an award-winning, multi-campus community college district in the thriving suburbs north of Dallas, Texas. Nearly one million people live in the college's fast-growing service area of Collin County, Rockwall County and the city of The Colony, and student enrollment is approaching 52,000 annually. The district has seven locations, highlighted by three comprehensive campuses and a university center.

The college is well-known for innovative programs such as university pre-admissions, Weekend College, the Collin Higher Education Center, the Center for Advanced Studies in Mathematics and Natural Sciences, the Center for Scholarly and Civic Engagement, and specialized dual credit academies with local high schools. The college has a triple AAA bond rating and received the Texas Comptroller's Platinum Leadership Circle Award for financial transparency. The college maintained or lowered its tax rate for 15 consecutive years, and tuition is the lowest in the state of Texas.

The Board of Trustees is seeking a district president who will help the board develop a vision to take Collin College to the next level of achievement through a strategic plan for student success, innovation, service and involvement, fundraising and fiscal management consistent with the mission, purpose, and Core Values of the district.
