TEXAS ETHICS COMMISSION
2015 FILING SCHEDULE FOR REPORTS DUE IN CONNECTION WITH
ELECTIONS HELD ON UNIFORM ELECTION DATES

This is a filing schedule for reports to be filed in connection with elections held on uniform election dates in May and November. Examples of elections held on uniform election dates are elections for school board positions and city offices. The uniform election dates in 2015 are May 9 and November 3.

Candidates and officeholders must file semiannual reports (due on January 15, 2015 and July 15, 2015). In addition, a candidate who has an opponent on the ballot in an election held on a uniform election date must file 30-day and 8-day pre-election reports (unless the candidate has elected modified reporting).

The campaign treasurer of a political committee that is involved in an election held on a uniform election date must also file pre-election reports (unless the committee is a general-purpose political committee that files monthly or a specific-purpose political committee that files on the modified reporting schedule). This schedule sets out the due dates for pre-election reports in connection with elections on uniform election dates. Please consult the 2015 REGULAR FILING SCHEDULE FOR GENERAL-PURPOSE POLITICAL COMMITTEES, INCLUDING COUNTY EXECUTIVE COMMITTEES (CEC), AND SPECIFIC-PURPOSE POLITICAL COMMITTEES (SPAC) for a complete listing of political committee deadlines.

Candidates for and officeholders in local offices regularly filled at the general election for state and county officers (the November election in even-numbered years) should use the 2015 FILING SCHEDULE FOR CANDIDATES AND OFFICEHOLDERS FILING WITH THE COUNTY CLERK OR ELECTIONS ADMINISTRATOR.

EXPLANATION OF THE FILING SCHEDULE CHART

COLUMN I: REPORT DUE DATE - This is the date by which the report must be filed. If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day. This schedule shows the extended deadline where applicable. A report transmitted to the Texas Ethics Commission over the Internet is considered timely filed if it is transmitted *by midnight, Central Time Zone, on the night of the filing deadline*. For most filing deadlines, a report filed on paper or on CD or disk is considered timely filed if it is deposited with the U.S. Post Office or placed in the hands of a common or contract carrier properly addressed with postage and handling charges prepaid, or hand-delivered to the filing authority by the filing deadline. **Pre-Election Reports:** A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered timely filed.

COLUMN II: TYPE OF REPORT (WHO FILES) - This column gives the report type and explains which reporting form to use and which filers are required to file the report.

COLUMN III: BEGINNING DATE OF PERIOD COVERED - This column sets out the beginning date of the time period covered by the report. Use the latest one of the applicable dates. The "date of campaign treasurer appointment" is the beginning date only for the *first* report filed after filing a campaign treasurer appointment. For officeholders recently appointed to an elective office, the beginning date for the first report will be the date the officeholder took office, provided that he or she was not already filing as an officeholder or candidate at the time of the appointment. (*NOTE:* If you are ever confused about the beginning date for a required report, remember this rule: **There should never be gaps between reporting periods and, generally, there should not be overlaps.**)

COLUMN IV: ENDING DATE OF PERIOD COVERED - This column sets out the ending date of the time period covered by the report. The report must include reportable activity occurring on the ending date.

Please consult the CAMPAIGN FINANCE GUIDE FOR CANDIDATES AND OFFICEHOLDERS WHO FILE WITH LOCAL FILING AUTHORITIES or the CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES for further information.

INTRODUCTION

This guide is a summary of reporting requirements and other regulations set out in title 15 of the Texas Election Code (chs. 251-258) and in the rules adopted by the Texas Ethics Commission. This guide applies to candidates for and officeholders in most local offices in Texas.

This guide does not apply to candidates for or officeholders of statewide elective offices, the State Legislature, seats on the State Board of Education, or multi-county district offices. Nor does it apply to candidates for or judges of statutory county courts, statutory probate courts, or district courts.

OFFICEHOLDERS

Officeholders as well as candidates are subject to regulation under title 15. An officeholder who has a campaign treasurer appointment on file with a filing authority is a “candidate” for purposes of title 15 and is subject to all the regulations applicable to candidates. An officeholder who does not have a campaign treasurer appointment on file is subject only to the regulations applicable to officeholders.

Most of the requirements discussed in this guide apply to both candidates (individuals who have a campaign treasurer appointment on file) and to officeholders who do not have a campaign treasurer appointment on file. The guide will indicate whether a particular requirement applies to individuals who have campaign treasurer appointments on file, to officeholders who do not have campaign treasurer appointments on file, or to both.

JUDICIAL CANDIDATES AND OFFICEHOLDERS

Candidates for and officeholders in most judicial offices are subject to various restrictions that do not apply to other candidates and officeholders. Those candidates and officeholders should review the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS and the POLITICAL ADVERTISING GUIDE which are available on the commission’s website.

Nonjudicial Officeholder Seeking Judicial Office. Pursuant to Ethics Advisory Opinion No. 465 (2005), a nonjudicial officeholder who becomes a judicial candidate is required to file two campaign finance reports, one reporting nonjudicial activity and the other reporting judicial activity. Alternatively, a nonjudicial officeholder who becomes a judicial candidate may select to file a single report that includes both candidate and officeholder activity if the activity is clearly and properly reported. *See* the CAMPAIGN FINANCE GUIDE FOR JUDICIAL CANDIDATES AND OFFICEHOLDERS for more information.

FEDERAL OFFICES

This guide does not apply to candidates for federal offices. Candidates for federal offices should contact the Federal Elections Commission. The FEC’s toll-free number is (800) 424-9530.

FILING AUTHORITIES

Title 15 requires candidates and officeholders to file various documents and reports with the appropriate filing authority.

The filing authority for a local candidate or officeholder depends on the nature of the office sought or held.

County Clerk. The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate filing authority for a candidate for:

- a county office;
- a precinct office;
- a district office (except for multi-county district offices); and
- an office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.

Other local filing authority. If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer.

Texas Ethics Commission. The Texas Ethics Commission is the appropriate filing authority for candidates for:

- Multi-county district offices. (Reminder: This guide does not apply to multi-county district offices.)
- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.

POLITICAL COMMITTEES (PACS)

Often a candidate or officeholder chooses to establish a specific-purpose political committee. A political committee is subject to *separate* filing requirements. Establishing a specific-purpose political committee does not relieve a candidate or officeholder of the obligation to file as an individual. For more information about political committees, see the Ethics Commission's CAMPAIGN FINANCE GUIDE FOR POLITICAL COMMITTEES.

FINANCIAL DISCLOSURE STATEMENTS

Some local candidates and officeholders are required to file an annual personal financial statement in accordance with Government Code chapter 572 or Local Government Code chapter 159. This statement is not a campaign finance document, and is not addressed in this guide.

FEDERAL INCOME TAX

This pamphlet does not address the federal tax implications of campaign finance. Questions regarding federal tax law should be directed to the Internal Revenue Service.

TEXAS ETHICS COMMISSION

If you have a question about how title 15 applies to you, you may call the Ethics Commission for assistance or you may request a written advisory opinion.

The Ethics Commission has authority to impose fines for violations of title 15. If you have evidence that a person has violated title 15, you may file a sworn complaint with the Ethics Commission. The Ethics Commission's mailing address is P.O. Box 12070, Austin, Texas 78711. The phone number is (512) 463-5800. The Ethics Commission maintains a website at www.ethics.state.tx.us on the Internet.

APPOINTING A CAMPAIGN TREASURER

If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;
- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

NO CAMPAIGN CONTRIBUTIONS OR EXPENDITURES WITHOUT TREASURER APPOINTMENT ON FILE

Additionally, the law provides that you must file a campaign treasurer appointment form with the proper filing authority before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a

filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

APPOINTING TREASURER TRIGGERS REPORTING DUTIES

After a candidate has filed a form appointing a campaign treasurer, the candidate is responsible for filing periodic reports of contributions and expenditures. Filing reports is the responsibility of the candidate, not the campaign treasurer. Even if a candidate loses an election, he or she must continue filing reports until he or she files a final report. *See* “Ending Filing Obligations” in this guide. (An officeholder who files a final report, and thereby terminates his or her campaign treasurer appointment, may still be required to file semiannual reports of contributions and expenditures as an officeholder.)

QUALIFICATIONS OF CAMPAIGN TREASURER

A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision.

DUTIES OF CAMPAIGN TREASURER

A candidate’s campaign treasurer has no legal duties. (**Note:** The campaign treasurer of a *political committee* is legally responsible for filing reports.)

EFFECTIVE DATE OF APPOINTMENT

A campaign treasurer appointment is effective when filed. A hand-delivered appointment takes effect on the date of delivery. A mailed appointment takes effect on the date of the postmark.

CODE OF FAIR CAMPAIGN PRACTICES

A filing authority should provide to each individual who files a campaign treasurer appointment a form containing a Code of Fair Campaign Practices. A candidate may pledge to conduct his or her campaign in accordance with the principles and practices set out in the Code by signing the form and filing it with the appropriate filing authority.

APPOINTMENT BY OFFICEHOLDER

If an officeholder files an appointment of campaign treasurer after a period in which he or she did not have a campaign treasurer appointment on file, the officeholder may have to file a report of contributions and expenditures no later than 15 days after filing the appointment of campaign treasurer. *See* “15th Day After Appointment of Campaign Treasurer by Officeholder” in this guide. An officeholder who *changes* a campaign treasurer is not required to file this report.

Note: An officeholder who has a campaign treasurer appointment on file is a candidate for purposes of title 15.

FILING FOR A PLACE ON THE BALLOT

Filing a campaign treasurer appointment and filing for a place on the ballot are two completely separate actions. The Secretary of State can provide information about filing for a place on the ballot. Call the Secretary of State at (512) 463-5650 or toll-free at (800) 252-8683.

CHANGING TREASURERS

A candidate may change campaign treasurers at any time by filing an amended appointment of campaign treasurer (FORM ACTA). Filing an appointment of a new treasurer automatically terminates the appointment of the old treasurer.

TRANSFERRING TO A DIFFERENT FILING AUTHORITY

If a candidate has a campaign treasurer appointment on file with one filing authority and wishes to accept campaign contributions or make campaign expenditures in connection with a candidacy for an office that would require reporting to a different filing authority, the candidate must file a new campaign treasurer appointment and a copy of the old campaign treasurer appointment (certified by original authority) with the second filing authority. The candidate should also provide written notice to the original filing authority that future reports will be filed with another authority. In general, funds accepted in connection with one office may be used in connection with a campaign for a different office, as long as neither of the offices is a judicial office.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT

A candidate may terminate a campaign treasurer appointment by filing an amended appointment of campaign treasurer or by filing a final report.

A campaign treasurer may terminate his or her own appointment by notifying both the candidate and the filing authority in writing. The termination is effective on the date the candidate receives the notice or on the date the filing authority receives the notice, whichever is later.

DECIDING NOT TO RUN

A campaign treasurer appointment does not simply expire. An individual who has a campaign treasurer appointment on file must file reports of contributions and expenditures until he or she files a final report with the filing authority. See “Ending Filing Obligations” in this guide.

Things to Remember

- If you plan to run for a public office in Texas (except for a federal office), you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA) with the proper filing authority when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures.

- A person may not accept a campaign contribution or make a campaign expenditure unless the person has a campaign treasurer appointment on file with the proper filing authority.
 - Once a person files a form appointing a campaign treasurer, the person is a candidate for disclosure filing purposes and is responsible for filing periodic reports of contributions and expenditures with the proper filing authority until the person files a “final report.”
 - The candidate, not the campaign treasurer, is responsible for filing periodic reports of contributions and expenditures.
 - Filing a campaign treasurer appointment does not automatically “sign you up” for a place on the ballot. The Secretary of State can provide information about getting on the ballot. Call (512) 463-5650 or (800) 252-8683.

POLITICAL CONTRIBUTIONS AND EXPENDITURES

Title 15 regulates political contributions and political expenditures. There are two types of political contributions: campaign contributions and officeholder contributions. Similarly, there are two kinds of political expenditures: campaign expenditures and officeholder expenditures.

CAMPAIGN CONTRIBUTIONS

A person makes a campaign contribution to a candidate if the person provides or promises something of value with the intent that it be used in connection with a campaign. A contribution of goods or services is an “in-kind” campaign contribution. A loan is considered to be a contribution unless it is from an incorporated financial institution that has been in business for more than a year. Candidates must report all loans made for campaign purposes, including loans that are not “contributions.”

- Donations to a candidate at a fund-raiser are campaign contributions.
- The provision of office space to a candidate is an “in-kind” campaign contribution.
- A promise to give a candidate money is a campaign contribution.
- An item donated to be auctioned at a fund-raiser is an “in-kind” campaign contribution. The purchase of the item at the auction is also a contribution.
- A campaign volunteer is making a contribution in the form of personal services. (Contributions of personal services are sometimes not required to be reported. See “Contributions of Personal Services” in this guide.)

Note: An individual may not accept a campaign contribution without an appointment of campaign treasurer on file with the proper filing authority.

CAMPAIGN EXPENDITURES

A campaign expenditure is a payment or an agreement to make a payment in connection with a campaign for an elective office.

- Paying a filing fee in connection with an application for a place on a ballot is a campaign expenditure.
- Purchasing stationery for fund-raising letters is a campaign expenditure.
- Renting a field to hold a campaign rally is a campaign expenditure.
- Paying people to put up yard signs in connection with an election is a campaign expenditure.

Note: An individual may not make a campaign expenditure unless he or she has a campaign treasurer appointment on file with the proper filing authority.

OFFICEHOLDER CONTRIBUTIONS

The provision of or a promise to provide goods or services to an officeholder that is intended to defray expenses in connection with an officeholder's duties or activities is an officeholder contribution if the expenses are not reimbursable with public money. A contribution of goods or services is an "in-kind" officeholder contribution.

A loan from an incorporated financial institution that has been in business for more than a year is not considered a contribution, but an officeholder must report any such loans made for officeholder purposes.

An officeholder is not required to have a campaign treasurer appointment on file to accept officeholder contributions. An officeholder who does not have a campaign treasurer on file may not accept *campaign* contributions.

OFFICEHOLDER EXPENDITURES

A payment or agreement to pay certain expenses in connection with an officeholder's duties or activities is an officeholder expenditure if the expenses are not reimbursable with public money.

An officeholder is not required to have a campaign treasurer appointment on file to make officeholder expenditures. An officeholder who does not have a campaign treasurer on file may not make *campaign* expenditures.

CAMPAIGN EXPENDITURES BY OFFICEHOLDER

An officeholder who has a campaign treasurer appointment on file may accept both campaign contributions and officeholder contributions and make both campaign expenditures and officeholder expenditures. On a report, there is no need for an officeholder who is a candidate to distinguish between campaign contributions and officeholder contributions or between campaign expenditures and officeholder expenditures. Both campaign contributions and officeholder contributions are reported as "political contributions" and both campaign expenditures and officeholder expenditures are reported as "political expenditures."

An officeholder who does not have a campaign treasurer on file may accept officeholder contributions and make officeholder expenditures but may not accept campaign contributions or make campaign expenditures.

PERMISSIBLE USE OF POLITICAL CONTRIBUTIONS

An officeholder may use officeholder contributions for campaign purposes if the officeholder has an appointment of campaign treasurer on file. Candidates and officeholders may not convert political contributions to personal use. See “Campaign Finance Restrictions” in this guide.

USE OF POLITICAL FUNDS TO RENT OR PURCHASE REAL PROPERTY

A candidate or officeholder is prohibited from using political funds to purchase real property or to pay the interest on or principal of a note for the purchase of real property.

A candidate or officeholder may not knowingly make or authorize a payment from political funds for the rental or purchase of real property from: (1) a person related to the candidate or officeholder within the second degree of consanguinity or affinity as determined under Chapter 573, Government Code; or (2) a business in which the candidate or officeholder (or a person related to the candidate or officeholder within the second degree of consanguinity or affinity) has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038 (a-1). This restriction applies to a payment made from political funds on or after September 1, 2007, without regard to whether the payment was made under a lease or other agreement entered into before that date.

ACCEPTING CONTRIBUTIONS

A candidate or officeholder must report contributions that he or she has *accepted*. Receipt is different from acceptance. A decision to *accept* a contribution must be made by the end of the reporting period during which the contribution is received.

Failure to make a determination about acceptance or refusal. If a candidate or officeholder fails to make a timely determination to accept or refuse a contribution by the deadline, the contribution is considered to have been accepted.

Returning refused contributions. If a candidate or officeholder receives a political contribution but does not accept it, he or she must return the contribution not later than the 30th day after the end of the reporting period in which the contribution was received. Otherwise, the contribution is considered to have been accepted.

REIMBURSEMENT FOR POLITICAL EXPENDITURES FROM PERSONAL FUNDS

If a candidate or officeholder makes political expenditures from personal funds, he or she may use political contributions to reimburse himself or herself if the expenditures are properly reported either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. In order for a candidate or officeholder to use political contributions to reimburse his or her personal funds, the political expenditure from personal funds must be properly reported on

the report covering the period in which the expenditures are made. *A filed report may not be later corrected to indicate an intention to reimburse personal funds from political contributions.*

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan and reimbursements to the candidate or officeholder may not exceed the amount reported as a loan. See “Campaign Expenditures from Personal Funds” in this guide for additional information.

SEPARATE ACCOUNT REQUIRED

A candidate or officeholder must keep political contributions in one or more accounts that are separate from any other account maintained by the candidate or officeholder. (There is no requirement to keep campaign contributions in a separate account from officeholder contributions.)

INFORMATION REQUIRED ON REPORTS

CONTRIBUTIONS

A report must disclose the amount of each contribution or the value and nature of any in-kind contribution, as well as the name and address of the individual or political committee making the contribution, and the date of the contribution. (Detailed information about a contributor is not required to be reported if the contributor contributed \$50 or less during the reporting period.)

PLEDGES

Promises to transfer money, goods, services, or other things of value are contributions. If a filer accepts such a promise, he or she must report it (along with the information required for other contributions) on the reporting schedule for “pledges.” Once a pledge has been reported, it is not re-reported when you actually receive it.

Note: A pledge is not a contribution unless you accept it.

Example 1: In June a supporter promises that he will give Juan Garcia \$1,000 in the last week before the November election. Juan accepts his promise. Juan must report the pledge on his July 15 report. (**Note:** Once he reports the \$1,000 pledge, his reporting obligation for that pledge is complete. He does not report the actual receipt of the pledge. Also, if he never receives the \$1,000, he does not amend his report to delete the entry for the pledge.)

Example 2: At a party, an acquaintance says to Juan, “I’d like to give you some money; call me at my office.” Juan agrees to call. At this point, Juan has accepted nothing and has nothing to report. Juan has not agreed to accept money; he has merely agreed to call.

LOANS

Loans made for campaign or officeholder purposes are reportable. A filer must report the amount of a loan, the date the loan is made, the interest rate, the maturity date, the type of collateral, and the name and address of the lender. The filer must also report the name, address, principal occupation,

and employer of any guarantor and the amount guaranteed by the guarantor. (Detailed information is not required if a particular lender lent \$50 or less during a reporting period.) If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan. See “Campaign Expenditures from Personal Funds” in this guide for additional information.

Note: A loan from an incorporated financial institution that has been in business for more than one year is not a contribution. Other loans are considered to be contributions. This distinction is important because of the prohibition on contributions from banks and certain other financial institutions. See “Campaign Finance Restrictions” in this guide. All loans are reported on the same schedule, regardless of whether they are contributions.

CONTRIBUTIONS OF PERSONAL SERVICES

A political contribution consisting of an individual's personal services is not required to be reported if the individual receives no compensation *from any source* for the services.

CONTRIBUTIONS OF PERSONAL TRAVEL

A political contribution consisting of personal travel expense incurred by an individual is not required to be reported if the individual receives no reimbursement for the expense.

CONTRIBUTIONS FROM OUT-OF-STATE POLITICAL COMMITTEES

There are restrictions on contributions from out-of-state political committees. The fact that a political committee has a mailing address outside of Texas does not mean that the committee is an out-of-state political committee for purposes of these restrictions. A political committee that has a campaign treasurer appointment on file in Texas is not an out-of-state political committee for purposes of these restrictions.

Contributions over \$500 in a reporting period. Before *accepting* more than \$500 in a reporting period from an out-of-state committee, a candidate or officeholder must obtain either (1) a written statement, certified by an officer of the out-of-state political committee, listing the full name and address of each person who contributed more than \$100 to the out-of-state political committee during the 12 months immediately preceding the contribution, *or* (2) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee.

This documentation must be included with the report of contributions and expenditures for the period in which the contribution was received.

Contributions of \$500 or less in a reporting period. For a contribution of \$500 or less from an out-of-state committee in a reporting period, there is no requirement to obtain documentation *before accepting* the contribution. But there is a requirement to include certain documentation with the report of the contribution. The report must include *either* (1) a copy of the out-of-state political committee's statement of organization filed as required by law with the Federal Election Commission and certified by an officer of the out-of-state committee, *or* (2) the committee's name, address, and phone number; the name of the person appointing the committee's campaign treasurer; and the name, address, and phone number of the committee's campaign treasurer.

EXPENDITURES

A filer must report any campaign expenditure (regardless of whether it is made from political contributions or from personal funds) and any political expenditure (campaign or officeholder) from political contributions (regardless of whether the expenditure is a political expenditure). If the total expenditures to a particular payee do not exceed \$100 during the reporting period, a filer may report those expenditures as part of a lump sum. Otherwise, a filer must report the date of an expenditure, the name and address of the person to whom the expenditure is made, and the purpose of the expenditure.

CAMPAIGN EXPENDITURES FROM PERSONAL FUNDS

A candidate must report all campaign expenditures, whether made from political contributions or from personal funds. In order to use political contributions to reimburse himself or herself for campaign expenditures from personal funds, the candidate must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the candidate does not indicate the intention to seek reimbursement on that report, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

OFFICEHOLDER EXPENDITURES FROM PERSONAL FUNDS

An officeholder is not required to report *officeholder expenditures* made from personal funds unless he or she intends to be reimbursed from political contributions. This rule applies regardless of whether an officeholder has an appointment of campaign treasurer on file.

In order for an officeholder to use political contributions to reimburse an officeholder expenditure from personal funds, the officeholder must properly report the expenditures either on the reporting schedule for loans or on the reporting schedule for political expenditures from personal funds. If the officeholder does not indicate the intention to seek reimbursement, he or she may not later correct the report to permit reimbursement.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F. The reimbursement may not exceed the amount reported as a loan. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

DIRECT EXPENDITURES

A direct campaign expenditure is “a campaign expenditure that does not constitute a campaign contribution by the person making the expenditure.” As a practical matter, a direct campaign expenditure is an expenditure to support a candidate incurred without the candidate’s prior consent or approval.

If a candidate or officeholder makes a direct campaign expenditure to support *another* candidate or officeholder, the expenditure must be included on the reporting schedule for political expenditures, and the report must indicate that the expenditure was a direct campaign expenditure.

SUPPORTING POLITICAL COMMITTEES

A political committee that accepts political contributions or makes political contributions on behalf of a candidate or officeholder is required to give the candidate or officeholder notice of that fact. The candidate or officeholder must report the receipt of such a notice on the report covering the period in which he or she receives the notice.

PAYMENTS TO A BUSINESS OF THE CANDIDATE OR OFFICEHOLDER

A candidate or officeholder is required to report payments from political funds to a business in which the candidate or officeholder has a participating interest of more than 10 percent; a position on the governing body of the business; *or* a position as an officer of a business.

A candidate or officeholder may not make a payment to such a business if the payment is for personal services rendered by the candidate or officeholder or by the spouse or dependent child of the candidate or officeholder. (Nor may a candidate or officeholder use political contributions to pay directly for such personal services.) Other payments to such a business are permissible only if the payment does not exceed the amount necessary to reimburse the business for actual expenditures made by the business. *See generally* Ethics Advisory Opinion No. 35 (1992).

A candidate or officeholder may not make or authorize a payment from political funds for the rental or purchase of real property from such a business. *See* “Use of Political Funds to Rent or Purchase Real Property” in this guide.

INTEREST EARNED, OTHER CREDITS/GAINS/REFUNDS, AND PURCHASE OF INVESTMENTS

For reports due on or after September 28, 2011, a candidate or officeholder is required to disclose information regarding the following types of activity from political contributions:

- any credit, interest, rebate, refund, reimbursement, or return of a deposit fee resulting from the use of a political contribution or an asset purchased with a political contribution, the amount of which exceeds \$100;
- any proceeds of the sale of an asset purchased with a political contribution, the amount of which exceeds \$100;

- any other gain from a political contribution, the amount of which exceeds \$100; and
- any investment purchased with a political contribution, the amount of which exceeds \$100.

A candidate or officeholder must use Schedule K to report such information. Although you are not required to do so, you may also report any credit/gain/refund, interest, or investment that does not exceed \$100 in the period on this schedule. (Previously, this was an optional schedule because a candidate or officeholder was not required to report this information.) A candidate or officeholder may not use interest and other income from political contributions for personal purposes. Political expenditures made from such income must be reported on the expenditures schedule.

TOTAL POLITICAL CONTRIBUTIONS MAINTAINED

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions and the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

TIME OF ACCEPTING CONTRIBUTION

A filer must report the date he or she *accepts* a political contribution. The date of receipt may be different from the date of acceptance. See “Accepting Contributions” in this guide.

TIME OF MAKING EXPENDITURE

For reporting purposes, an expenditure is made when the amount of the expenditure is readily determinable, not when payment is actually made. If a filer cannot determine the amount of an expenditure until a periodic bill, the date of the expenditure is the date the bill is received.

Credit Card Expenditures. For purposes of 30 day and 8 day pre-election reports, the date of an expenditure made by a credit card is the date of the purchase, not the date of the credit card bill. For purposes of other reports, the date of an expenditure made by a credit card is the date of receipt of the credit card statement that includes the expenditure.

PREPARING REPORTS

FORMS

Reporting forms are available at <http://www.ethics.state.tx.us> on the Internet. An individual who is both a candidate and an officeholder files one report for each reporting period and is not required to distinguish between campaign activity and officeholder activity.

SIGNATURE REQUIRED

The candidate or officeholder, not the campaign treasurer, must sign reports.

FILING DEADLINES

The next section of this guide explains the types of reports candidates and officeholders are required to file. Annual filing schedules are available at <http://www.ethics.state.tx.us> on the Internet.

Note: Deadlines for filing reports for special elections or runoff elections will not be listed on the filing schedule. Call the Ethics Commission for specific information in these cases.

PERIODS COVERED BY REPORTS

Each report covers activity during a specific time period. Generally a report picks up where the last report left off. For a candidate's first report, the beginning date will be the date the campaign treasurer appointment was filed. For an officeholder who is appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for the first report will be the date the officeholder took office. Generally, there should not be gaps between the periods covered or overlapping time periods. See "Reports" below for information about filing deadlines and periods covered by reports.

DEADLINE ON WEEKEND OR HOLIDAY

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

5 P.M. DEADLINE

The deadline for filing a report is 5 p.m. on the due date.

DELIVERY BY MAIL OR OTHER CARRIER

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date to be considered filed on time.

RETENTION OF RECORDS USED FOR REPORTS

A filer must keep records of all information used to prepare a report of contributions and expenditures, including, for example, receipts or ledgers of contributions and expenditures. A filer must maintain the records for two years after the deadline for the report.

REPORTS

SEMIANNUAL REPORTS

Generally, candidates and officeholders are required to file reports of contributions and expenditures by January 15 and July 15 of each year. The reports filed on these dates are known as semiannual reports. These reports must be filed even if there is no activity to report for the period covered.

However, there is an exception to this requirement for officeholders who file with a local filing authority, do not have a campaign treasurer appointment on file, and do not accept more than \$500 in officeholder contributions or make more than \$500 in officeholder expenditures during the period covered by the report.

REPORTS DUE 30 DAYS AND 8 DAYS BEFORE AN ELECTION

An *opposed* candidate in an upcoming election must file reports of contributions and expenditures 30 days and 8 days before the election. Each of these pre-election reports must be *received* by the appropriate filing authority no later than the report due date. (A person who has elected modified reporting and who remains eligible for modified reporting is not required to file these reports. See “Modified Reporting” in this guide.)

An *opposed* candidate is a candidate who has an opponent whose name is printed on the ballot. If a candidate’s only opposition is a write-in candidate, that candidate is considered unopposed for filing purposes. (**Note:** A write-in candidate who accepts political contributions or makes political expenditures is subject to the reporting requirements discussed in this guide.)

The report that is due 30 days before the election covers the period that begins on the first day after the period covered by the last required report and ends the 40th day before the election. If this is a filer’s first required report, the period covered by the report begins on the day the filer filed a campaign treasurer appointment.

The report that is due 8 days before the election covers the period that begins on the first day after the period covered by the last required report and ends on the 10th day before the election.

REPORT DUE 8 DAYS BEFORE A RUNOFF ELECTION

A candidate in a runoff must file a report 8 days before the runoff election. A runoff report must be *received* by the appropriate filing authority no later than the report due date. (A candidate who has elected modified reporting and who remains eligible for modified reporting is not required to file this report. See “Modified Reporting” below.)

This report covers a period that begins either the first day after the period covered by the last required report or the day the filer filed a campaign treasurer appointment (if this is the filer's first report of contributions and expenditures). The period covered by the runoff report ends the 10th day before the runoff election.

MODIFIED REPORTING

On the campaign treasurer appointment form, there is an option to choose modified reporting for the next election cycle. Modified reporting excuses an opposed candidate from filing reports 30 days and 8 days before an election and 8 days before a runoff. An opposed candidate is eligible for modified reporting only if the candidate does not intend to exceed either \$500 in contributions or \$500 in expenditures (excluding filing fees) in connection with an election.

If an opposed candidate selects modified reporting but exceeds a threshold before the 30th day before the election, the candidate must file reports 30 days and 8 days before the election.

If an opposed candidate selects modified reporting but exceeds the \$500 threshold for contributions or expenditures after the 30th day before the election, the filer must file a report within 48 hours of exceeding the threshold. (The filer must meet this deadline even if it falls on a weekend or a holiday.) At that point, the filer is no longer eligible for modified reporting and must file according to the regular filing schedule.

A selection to file on the modified reporting schedule lasts for an entire election cycle. In other words, the selection is valid for a primary, a primary runoff, and a general election (as long as the candidate does not exceed one of the \$500 thresholds). A candidate must submit an amended campaign treasurer appointment (FORM ACTA) to select modified reporting for a different election cycle.

“15TH DAY AFTER APPOINTMENT OF CAMPAIGN TREASURER BY AN OFFICEHOLDER” REPORT

An officeholder must file a report after filing a campaign treasurer appointment. (A report is not required after a *change* in campaign treasurers.) This report of contributions and expenditures is due no later than 15 days after the campaign treasurer appointment was filed. The report must cover the period that begins the day after the period covered by the last required report. The period ends on the day before the campaign treasurer appointment was filed. (**Note:** A person who is *appointed* to elective office may not have filed any previous reports. In that case, the beginning date for the report due 15 days after the campaign treasurer appointment is the date the officeholder took office.) The report is not required if the officeholder did not accept more than \$500 in contributions or make more than \$500 in expenditures by the end of the reporting period.

FINAL REPORT

See “Ending Filing Obligations” below.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

See “Ending Filing Obligations” below.

FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS REPORT

See “Ending Filing Obligations” below.

Things to Remember

- An officeholder must file semiannual reports for any period during which he or she is an officeholder. (There is an exception to this rule for officeholders who do not have a campaign treasurer appointment on file and who do not accept more than \$500 in political contributions or make more than \$500 in political expenditures during the period covered by the report.)
- An opposed candidate in an election must file reports of contributions and expenditures 30 days and 8 days before the election, unless the candidate has selected (and remains eligible for) modified reporting. An opposed candidate who has not selected modified reporting must also file a report 8 days before a runoff election. A report due 30 days before an election and a report due 8 days before an election must be received by the appropriate filing authority no later than the report due date.
- An unopposed candidate is not required to file reports 30 days before an election or 8 days before an election but is required to file semiannual reports.
- A candidate who selects modified reporting must file semiannual reports.
- A filer who selects modified reporting for one election cycle will be required to file on the regular reporting schedule for the next election cycle unless the filer submits an amended campaign treasurer appointment selecting modified reporting for the next election cycle.

ENDING FILING OBLIGATIONS

FINAL REPORT

If a filer expects to accept no further political contributions and to make no further political expenditures and if the filer expects to take no further action to get elected to a public office, the filer may file a final report. Filing a final report terminates a filer’s campaign treasurer appointment and relieves the filer from any additional filing obligations *as a candidate*. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local Government Code.) If the filer is an officeholder, the filer will still be subject to the filing requirements applicable to officeholders. A filer who is not an officeholder at the time of filing a final report *and* who has surplus political funds or assets will be required to file annual reports of unexpended contributions and a report of final disposition of unexpended contributions. See “Annual Report of Unexpended Contributions” and “Report of Final Disposition of Unexpended Contributions” below.

A filer who intends to continue accepting contributions to pay campaign debts should *not* terminate his or her campaign treasurer appointment. An individual must have a campaign treasurer appointment on file to accept contributions to offset campaign debts or to pay campaign debts.

Terminating a campaign treasurer appointment does not relieve a filer of responsibility for any delinquent reports or outstanding civil penalties.

ANNUAL REPORT OF UNEXPENDED CONTRIBUTIONS

The following individuals must file annual reports of unexpended contributions:

- a former officeholder who did not have a campaign treasurer appointment on file at the time of leaving office and who retained any of the following after filing his or her last report: political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions.
- a former candidate (a person who previously had a campaign treasurer appointment on file) who was not an officeholder at the time of filing a final report and who retained any of the following at the time of filing a final report: political contributions, interest or other income from political contributions, or assets purchased with political contributions.

Annual reports are due not earlier than January 1 and not later than January 15 of each year. An annual report (FORM C/OH-UC) must contain the following information: (1) information about expenditures from or disposition of surplus funds or assets; (2) the amount of interest or other income earned on surplus funds during the previous year; and (3) the total amount of surplus funds and assets at the end of the previous year.

The obligation to file annual reports ends when the former candidate or officeholder files a report of final disposition of unexpended contributions.

REPORT OF FINAL DISPOSITION OF UNEXPENDED CONTRIBUTIONS

A former candidate or former officeholder who has disposed of all surplus funds and assets must file a report of final disposition of unexpended contributions. This report may be filed as soon as all funds have been disposed of.

A former candidate or former officeholder has six years from the date of filing a final report or leaving office (whichever is later) to dispose of surplus funds and assets. The latest possible date for filing a report of unexpended contributions is 30 days after the end of that six-year period.

At the end of the six-year period, a former candidate or officeholder *must* dispose of surplus assets or funds in one of the following ways:

- The former candidate or officeholder may give them to the political party with which he or she was affiliated when last on the ballot;
- The former candidate or officeholder may contribute them to a candidate or a political committee. (This triggers a requirement to file a report of the contribution.);

- The former candidate or officeholder may give them to the comptroller for deposit in the state treasury to be used to finance primary elections;
- The former candidate or officeholder may give them to one or more contributors, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which the former candidate or officeholder accepted political contributions;
- The former candidate or officeholder may give them to certain charitable organizations; or
- The former candidate or officeholder may give them to a public or private post-secondary educational institution or an institution of higher education as defined by section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

Things to Remember

- Anyone who has an appointment of campaign treasurer on file must file periodic reports of campaign contributions and expenditures.
- An individual who expects no further reportable activity in connection with his or her candidacy, files a final report and thereby terminates his or her campaign treasurer appointment. (Note: A candidate who does not have a campaign treasurer appointment on file may still be required to file a personal financial statement in accordance with chapter 572 of the Government Code or chapter 159 of the Local Government Code.)
- An officeholder may be required to file semiannual reports even if he or she does not have a campaign treasurer appointment on file. A local officeholder who has not accepted more than \$500 in contributions or made more than \$500 in expenditures in a semiannual period since terminating his or her campaign treasurer appointment is not required to file a semiannual report for that period.

PENALTIES FOR REPORTING VIOLATIONS

Any citizen may file a criminal complaint with the district attorney, a civil complaint with the Ethics Commission, or a civil action against a candidate or officeholder for violations of title 15. Any penalty stemming from such complaints would be assessed against *the candidate or officeholder*, not the campaign treasurer.

CAMPAIGN FINANCE RESTRICTIONS

Chapter 253 of the Election Code contains a number of restrictions regarding the acceptance and use of political contributions, including the following:

1. An individual may not accept a campaign contribution or make a campaign expenditure (including a campaign expenditure from personal funds) without a campaign treasurer appointment on file. Elec. Code § 253.031. An officeholder may accept officeholder contributions and make officeholder expenditures regardless of whether he or she has a campaign treasurer appointment on file.

2. Political contributions from labor organizations and from most corporations are prohibited. Elec. Code § 253.091, *et seq.* Partnerships that include one or more corporate partners are subject to the prohibition.
3. Certain documentation must be obtained in order to accept contributions from an out-of-state political committee. Elec. Code § 253.032. See “Contributions From Out-of-State Political Committees” in this guide.
4. Cash contributions of more than \$100 in the aggregate from one contributor in a reporting period are prohibited. (Here “cash” means coins and currency, not checks.) Elec. Code § 253.033.
5. The use of political contributions to purchase real property is prohibited. There is also a restriction on the use of political funds to rent or purchase real property from a person related to the candidate or officeholder within the second degree of consanguinity or affinity or from a business in which the candidate or officeholder or such a relative has a participating interest of more than 10 percent, holds a position on the governing body, or serves as an officer. Elec. Code § 253.038.
6. Texas law does not allow anonymous contributions. Also, reports must disclose the actual source of a contribution, not an intermediary. Elec. Code § 253.001.
7. Personal use of political contributions is prohibited. Elec. Code § 253.035.
8. A candidate or officeholder may not use political contributions to pay for personal services rendered by the candidate or officeholder or by the spouse, or dependent children of the candidate or officeholder. There are also restrictions of a candidate’s or officeholder’s use of political contributions to make payments to a business in which the candidate or officeholder holds a participating interest of more than 10 percent, a position on the governing body of the business, or a position as an officer of the business. See Ethics Advisory Opinion No. 35 (1992) (regarding the combined effect of this prohibition and the prohibition on corporate contributions). Elec. Code § 253.041.

There are restrictions on the use of political contributions to reimburse political expenditures from personal funds. See “Reimbursement for Political Expenditures from Personal Funds,” in this guide.

9. A candidate, officeholder, or political committee may not accept political contributions in the Capitol or in the Capitol Extension. Effective September 1, 2009, a candidate, officeholder, or political committee also may not accept political contributions in a courthouse. “Courthouse” means any building owned by the state, a county, or a municipality, or an office or part of a building leased to the state, a county, or a municipality, in which a justice or judge sits to conduct court proceedings. Elec. Code § 253.039.
10. Federal law generally prohibits the acceptance of contributions from foreign sources. Contact the Federal Election Commission for more detailed information.

POLITICAL ADVERTISING

What You Need To Know

The Texas Election Law requires certain disclosures and notices on political advertising. The law also prohibits certain types of misrepresentation in political advertising and campaign communications. This brochure explains what you need to know to insure that your political advertising and campaign communications comply with the law.

If you are not sure what the law requires, do the cautious thing. Use the political advertising disclosure statement whenever you think it might be necessary, and do not use any possibly misleading information in political advertising or a campaign communication. If you are using political advertising or campaign communications from a prior campaign, you should check to see if the law has changed since that campaign.

Candidates for federal office should check with the Federal Election Commission at (800) 424-9530 for information on federal political advertising laws.

Revised July 19, 2011

REQUIRED DISCLOSURE ON POLITICAL ADVERTISING

I. What Is Political Advertising?

The disclosure statement and notice requirements discussed in this section apply to “political advertising.” In the law, “political advertising” is a specifically defined term. Do not confuse this special term with your own common-sense understanding of advertising.

To figure out if a communication is political advertising, you must look at what it says and where it appears. If a communication fits in one of the categories listed in Part A (below) and if it fits in one of the categories listed in Part B (below), it is political advertising.

Part A. What Does It Say?

1. Political advertising includes communications supporting or opposing a candidate for nomination or election to either a public office or an office of a political party (including county and precinct chairs).
2. Political advertising includes communications supporting or opposing an officeholder, a political party, or a measure (a ballot proposition).

Part B. Where Does It Appear?

1. Political advertising includes communications that appear in pamphlets, circulars, fliers, billboards or other signs, bumper stickers, or similar forms of written communication.
2. Political advertising includes communications that are published in newspapers, magazines, or other periodicals in return for consideration.
3. Political advertising includes communications that are broadcast by radio or television in return for consideration.
4. Political advertising includes communications that appear on an Internet website.

II. When Is A Disclosure Statement Required?

The new law provides that political advertising that contains express advocacy is required to include a disclosure statement. The person who causes the political advertising to be published, distributed, or broadcast is responsible for including the disclosure statement.

The new law does not define the term “express advocacy.” However, the law does provide that political advertising is deemed to contain express advocacy if it is authorized by a candidate, an agent of a candidate, or a political committee filing campaign finance reports. Therefore, a disclosure statement is required any time a candidate, a candidate’s agent, or a political committee authorizes political advertising.

The precise language of political advertising authorized by someone other than a candidate, the candidate's agent, or a political committee will determine if the advertising contains express advocacy and is therefore required to include a disclosure statement. Generally, the question is whether the communication expressly advocates the election or defeat of an identified candidate, or expressly advocates the passage or defeat of a measure, such as a bond election. The inclusion of words such as "vote for," "elect," "support," "defeat," "reject," or "Smith for Senate" would clearly constitute express advocacy, but express advocacy is not limited to communications that use those words. Similar phrases, such as "Cast your ballot for X," would also constitute express advocacy. Additionally, in 2007, the United States Supreme Court held that an advertisement included express advocacy or its functional equivalent "if the ad is susceptible to no reasonable interpretation other than as an appeal to vote for or against a specific candidate." *FEC v. Wisconsin Right to Life, Inc.*, 127 S.Ct. 2652 (2007). It is a question of fact whether a particular communication constitutes express advocacy. If you are not sure whether political advertising contains express advocacy, do the cautious thing and include the disclosure statement. That way there is no need to worry about whether you have violated the law.

Remember: The concept of "express advocacy" is only relevant in determining whether political advertising is required to include a disclosure statement. The political advertising laws governing the right-of-way notice, misrepresentation, and use of public funds by political subdivisions will apply to political advertising regardless of whether the advertising contains express advocacy.

III. What Should The Disclosure Statement Say?

A disclosure statement must include the following:

1. the words "political advertising" or a recognizable abbreviation such as "pol. adv."; and
2. the full name of one of the following: (a) the person who paid for the political advertising; (b) the political committee authorizing the political advertising; or (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate.

The disclosure statement must appear on the face of the political advertising.

The advertising should not be attributed to entities such as "Committee to Elect John Doe" unless a specific-purpose committee named "Committee to Elect John Doe" has filed a campaign treasurer appointment with the Ethics Commission or a local filing authority.

IV. Are There Any Exceptions To The Disclosure Statement Requirement?

The following types of political advertising do not need the disclosure statement:

1. t-shirts, balloons, buttons, emery boards, hats, lapel stickers, small magnets, pencils, pens, pins, wooden nickels, candy wrappers, and similar materials;
2. invitations or tickets to political fundraising events or to events held to establish support for a candidate or officeholder;

3. an envelope that is used to transmit political advertisement, provided that the political advertisement in the envelope includes the disclosure statement;
4. circulars or fliers that cost in the aggregate less than \$500 to publish and distribute; and
5. political advertising printed on letterhead stationery, if the letterhead includes the name of one of the following: (a) the person who paid for the advertising, (b) the political committee authorizing the advertising, or, (c) the candidate or specific-purpose committee supporting the candidate, if the political advertising is authorized by the candidate. (Note: There is also an exception for holiday greeting cards sent by an officeholder, provided that the officeholder's name and address appear on the card or the envelope.)

V. What Should I Do If I Discover That My Political Advertising Does Not Contain A Disclosure Statement?

The new law prohibits a person from using, causing or permitting to be used, or continuing to use political advertising containing express advocacy if the person knows it does not include the disclosure statement. A person is presumed to know that the use is prohibited if the Texas Ethics Commission notifies the person in writing that the use is prohibited. If you receive notice from the Texas Ethics Commission that your political advertising does not comply with the law, you should stop using it immediately.

If you learn that a political advertising sign designed to be seen from the road does not contain a disclosure statement or contains an inaccurate disclosure statement, you should make a good faith attempt to remove or correct those signs that have been distributed. You are not required to attempt to recover other types of political advertising that have been distributed with a missing or inaccurate disclosure statement.

VI. The Fair Campaign Practices Act.

The Fair Campaign Practices Act sets out basic rules of decency, honesty, and fair play to be followed by candidates and political committees during a campaign. A candidate or political committee may choose to subscribe to the voluntary code by signing a copy of the code and filing it with the authority with whom the candidate or committee is required to file its campaign treasurer appointment. A person subscribing to the code may indicate that fact on political advertising by including the following or a substantially similar statement:

(Name of the candidate or political committee, as appropriate) subscribes to the Code of Fair Campaign Practices.

VII. Special Rule For Judicial Candidates, Officeholders, and Committees.

Candidates for the Supreme Court, Court of Criminal Appeals, courts of appeals, district courts, statutory county courts (county courts-at-law), and statutory probate courts are required to file a form declaring their intent to either comply with or exceed the voluntary expenditure limits of the Judicial Campaign Fairness Act. A candidate who has declared an intent to comply with the expenditure limits, as well as a specific-purpose committee supporting such a candidate, may state the following in political advertising:

Political advertising paid for by (name of candidate or committee) in compliance with the voluntary limits of the Judicial Campaign Fairness Act.

If a candidate declares an intent to exceed the expenditure limits, however, both the candidate and any specific-purpose committee supporting the candidate must include in their political advertising the following statement:

Political advertising paid for by (name of candidate or committee), (who or which) has rejected the voluntary limits of the Judicial Campaign Fairness Act.

ROAD SIGNS

I. When Is The “Right-Of-Way” Notice Required?

All written political advertising that is meant to be seen from a road must carry a “right-of-way” notice. It is a criminal offense to omit the “right-of-way” notice in the following circumstances:

1. if you enter into a contract or agreement to print or make written political advertising meant to be seen from a road; or
2. if you instruct another person to place the written political advertising meant to be seen from a road.

II. What Should The “Right-Of-Way” Notice Say?

Section 255.007 of the Texas Election Code prescribes the exact language of the notice:

NOTICE: IT IS A VIOLATION OF STATE LAW(CHAPTERS 392 AND 393, TRANSPORTATION CODE) TO PLACE THIS SIGN IN THE RIGHT-OF-WAY OF A HIGHWAY.

Note: The notice on political advertising signs printed or made before September 1, 1997, contained a citation to a prior law. You may continue to use those signs if they otherwise comply with the law.

III. Do Yard Signs Have To Have The “Right-Of-Way” Notice?

Yes. The “right-of-way” notice requirement applies to signs meant to be seen from any road. The notice requirement assures that a person responsible for placing signs is aware of the restriction on placing the sign in the right-of-way of a highway.

IV. What About Bumper Stickers?

Bumper stickers do not need the “right-of-way” notice. They do, however, need a political advertising disclosure statement.

V. Where May I Place My Signs And How Long May Signs Be Posted?

For information about exactly where you may or may not place signs, or for information regarding the length of time your signs may be posted, check with your city or county government and with the Texas Department of Transportation at (512) 416-2901.

MISREPRESENTATION

I. Are There Restrictions On The Contents Of Political Advertising?

Political advertising and campaign communications may not misrepresent a person’s identity or official title, nor may they misrepresent the true source of the advertising or communication. The election law does not address other types of misrepresentation in political advertising or campaign communications.

Note that the misrepresentation rules apply to both political advertising and campaign communications. “Campaign communication” is a broader term than “political advertising.”

A “campaign communication” means “a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.”

II. Misrepresentation Of Office Title.

A candidate may not represent that he or she holds an office that he or she does not hold at the time of the representation. **If you are not the incumbent in the office you are seeking, you must make it clear that you are seeking election rather than reelection by using the word “for” to clarify that you don’t hold that office.** The word “for” must be at least one-half the type size as the name of the office and should appear immediately before the name of the office. For example, a non-incumbent may use the following formats:

**Vote John Doe
for Attorney General**

**John Doe
For
Attorney General**

III. Misrepresentation Of Identity Or Source.

A person violates the law if, with intent to injure a candidate or influence the result of an election, the person misrepresents the source of political advertising or a campaign communication or if the person misrepresents his or her own identity or the identity of his or her agent in political advertising or in a campaign communication. (If someone else is doing something for you, that person is your agent.) For example, you may not take out an ad in favor of your opponent that purports to be sponsored by a notoriously unpopular group.

IV. Use Of State Seal.

Only officeholders may use the state seal in political advertising.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate's personal or family life.

- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

The filing deadline is 5:00 p.m. 71 days prior to the election day if the election is held in May or November of an odd-numbered year, except in cases where the law specifies the contrary.

The filing deadline is 5:00 p.m. 78 days prior to the election day if the election is held in November of an even-numbered year.

The candidate **must** sign this statement indicating his awareness of the nepotism law. The nepotism prohibitions of chapter 573, Government Code, are summarized below:

No officer may appoint, or vote for or confirm the appointment or employment of any person related within the second degree by affinity (marriage) or the third degree by consanguinity (blood) to himself, or to any other member of the governing body or court on which he serves when the compensation of that person is to be paid out of public funds or fees of office. However, nothing in the law prevents the appointment, voting for, or confirmation of anyone who has been continuously employed in the office or employment for the following period prior to the election or appointment of the officer or member related to the employee in the prohibited degree: six months, if the officer or member is elected at the general election for state and county officers.

No candidate may take action to influence an employee of the office to which the candidate is seeking election or an employee or officer of the governmental body to which the candidate is seeking election regarding the appointment or employment of a person related to the candidate in a prohibited degree as noted above. This prohibition does not apply to a candidate's actions with respect to a bona fide class or category of employees or prospective employees.

Examples of relatives within the third degree of consanguinity are as follows:

- (1) First degree: parent, child;
- (2) Second degree: brother, sister, grandparent, grandchild;
- (3) Third degree: great-grandparent, great-grandchild, uncle, aunt, nephew, niece.

These include relatives by blood, half-blood, and legal adoption.

Examples of relatives within the second degree of affinity are as follows:

- (1) First degree: spouse, spouse's parent, son-in-law, daughter-in-law;
- (2) Second degree: brother's spouse, sister's spouse, spouse's brother, spouse's sister, spouse's grandparent.

Persons related by affinity (marriage) include spouses of relatives by consanguinity, and, if married, the spouse and the spouse's relatives by consanguinity. These examples are not all inclusive.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play that every candidate and political committee in this state has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional rights to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I will conduct the campaign openly and publicly and limit attacks on my opponent to legitimate challenges to my opponent’s record and stated positions on issues.
- (2) I will not use or permit the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or the candidate’s personal or family life.
- (3) I will not use or permit any appeal to negative prejudice based on race, sex, religion, or national origin.
- (4) I will not use campaign material of any sort that misrepresents, distorts, or otherwise falsifies the facts, nor will I use malicious or unfounded accusations that aim at creating or exploiting doubts, without justification, as to the personal integrity or patriotism of my opponent.
- (5) I will not undertake or condone any dishonest or unethical practice that tends to corrupt or undermine our system of free elections or that hampers or prevents the full and free expression of the will of the voters, including any activity aimed at intimidating voters or discouraging them from voting.
- (6) I will defend and uphold the right of every qualified voter to full and equal participation in the electoral process, and will not engage in any activity aimed at intimidating voters or discouraging them from voting.
- (7) I will immediately and publicly repudiate methods and tactics that may come from others that I have pledged not to use or condone. I shall take firm action against any subordinate who violates any provision of this code or the laws governing elections.

I, the undersigned, candidate for election to public office in the State of Texas or campaign treasurer of a political committee, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct the campaign in accordance with the above principles and practices.

APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE

GENERAL INSTRUCTIONS

These instructions are for the APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (Form CTA). Use Form CTA only for appointing your campaign treasurer. Use the AMENDMENT (Form ACTA) for changing information previously reported on Form CTA and for renewing your choice to report under the modified schedule. Note: Candidates for most judicial offices use Form JCTA to file a campaign treasurer appointment.

DUTIES OF A CANDIDATE OR OFFICEHOLDER. As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form and all candidate/officeholder reports of contributions, expenditures, and loans. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

QUALIFICATIONS OF CAMPAIGN TREASURER. A person is ineligible for appointment as a campaign treasurer if the person is the campaign treasurer of a political committee that has outstanding filing obligations (including outstanding penalties). This prohibition does not apply if the committee in connection with which the ineligibility arose has not accepted more than \$5,000 in political contributions or made more than \$5,000 in political expenditures in any semiannual reporting period. A person who violates this prohibition is liable for a civil penalty not to exceed three times the amount of political contributions accepted or political expenditures made in violation of this provision. Note: A candidate may appoint himself or herself as his or her own campaign treasurer.

DUTIES OF A CAMPAIGN TREASURER. State law does not impose any obligations on a candidate's campaign treasurer.

REQUIREMENT TO FILE BEFORE BEGINNING A CAMPAIGN. If you plan to run for a public office in Texas (except for a federal office), you must file this form when you become a candidate even if you do not intend to accept campaign contributions or make campaign expenditures. A "candidate" is a person who knowingly and willingly takes affirmative action for the purpose of gaining nomination or election to public office or for the purpose of satisfying financial obligations incurred by the person in connection with the campaign for nomination or election. Examples of affirmative action include:

- (A) the filing of a campaign treasurer appointment, except that the filing does not constitute candidacy or an announcement of candidacy for purposes of the automatic resignation provisions of Article XVI, Section 65, or Article XI, Section 11, of the Texas Constitution;
- (B) the filing of an application for a place on the ballot;
- (C) the filing of an application for nomination by convention;

- (D) the filing of a declaration of intent to become an independent candidate or a declaration of write-in candidacy;
- (E) the making of a public announcement of a definite intent to run for public office in a particular election, regardless of whether the specific office is mentioned in the announcement;
- (F) before a public announcement of intent, the making of a statement of definite intent to run for public office and the soliciting of support by letter or other mode of communication;
- (G) the soliciting or accepting of a campaign contribution or the making of a campaign expenditure; and
- (H) the seeking of the nomination of an executive committee of a political party to fill a vacancy.

Additionally, the law provides that you must file this form before you may accept a campaign contribution or make or authorize a campaign expenditure, including an expenditure from your personal funds. A filing fee paid to a filing authority to qualify for a place on a ballot is a campaign expenditure that may not be made before filing a campaign treasurer appointment form with the proper filing authority.

If you are an officeholder, you may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. If you do not have a campaign treasurer appointment on file and you wish to accept *campaign* contributions or make *campaign* expenditures in connection with your office or for a different office, you must file this form before doing so. In such a case, a sworn report of contributions, expenditures, and loans will be due no later than the 15th day after filing this form.

WHERE TO FILE A CAMPAIGN TREASURER APPOINTMENT. The appropriate filing authority depends on the office sought or held.

- a. Texas Ethics Commission.** The Texas Ethics Commission is the appropriate filing authority for the Secretary of State and for candidates for or holders of the following offices:
 - Governor, Lieutenant Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, Agriculture Commissioner, Railroad Commissioner.
 - State Senator or State Representative.
 - Supreme Court Justice, Court of Criminal Appeals Judge, and Court of Appeals Judge.*
 - State Board of Education.
 - A multi-county district judge* or multi-county district attorney.
 - A single-county district judge.*

- An office of a political subdivision other than a county if the political subdivision includes areas in more than one county and if the governing body of the political subdivision has not been formed.
 - A chair of the state executive committee of a political party with a nominee on the ballot in the most recent gubernatorial election.
 - A county chair of a political party with a nominee on the ballot in the most recent gubernatorial election if the county has a population of 350,000 or more.
- * Judicial candidates use FORM JCTA to appoint a campaign treasurer.
- b. County Clerk.** The county clerk (or the county elections administrator or tax assessor, as applicable) is the appropriate local filing authority for a candidate for:
- A county office.
 - A precinct office.
 - A district office (except for multi-county district offices).
 - An office of a political subdivision other than a county if the political subdivision is within the boundaries of a single county and if the governing body of the political subdivision has not been formed.
- c. Local Filing Authority.** If a candidate is seeking an office of a political subdivision other than a county, the appropriate filing authority is the *clerk or secretary of the governing body* of the political subdivision. If the political subdivision has no clerk or secretary, the appropriate filing authority is the governing body's presiding officer. Basically, any political subdivision that is authorized by the laws of this state to hold an election is considered a local filing authority. Examples are cities, school districts, and municipal utility districts.

FILING WITH A DIFFERENT AUTHORITY. If you have a campaign treasurer appointment on file with one authority, and you wish to accept campaign contributions or make or authorize campaign expenditures in connection with another office that would require filing with a different authority, you must file a new campaign treasurer appointment *and* a copy of your old campaign treasurer appointment (certified by the old authority) with the new filing authority before beginning your campaign. You should also provide written notice to the original filing authority that your future reports will be filed with another authority.

FORMING A POLITICAL COMMITTEE. As a candidate, you must file an APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM CTA). You may also form a specific-purpose committee to support your candidacy. Remember that filing a campaign treasurer appointment for a political committee does not eliminate the requirement that a candidate file his or her own campaign treasurer appointment (FORM CTA) and the related reports.

NOTE: See the *Campaign Finance Guide for Political Committees* for further information about specific-purpose committees.

CHANGING A CAMPAIGN TREASURER. If you wish to change your campaign treasurer, simply file an amended campaign treasurer appointment (FORM ACTA). This will automatically terminate the outgoing campaign treasurer appointment.

AMENDING A CAMPAIGN TREASURER APPOINTMENT. If *any* of the information reported on the campaign treasurer appointment (FORM CTA) changes, file an AMENDMENT: APPOINTMENT OF A CAMPAIGN TREASURER BY A CANDIDATE (FORM ACTA) to report the change.

REPORTING REQUIREMENT FOR CERTAIN OFFICEHOLDERS. If you are an officeholder who appoints a campaign treasurer after a period of not having one, you must file a report of contributions, expenditures, and loans no later than the 15th day after your appointment is effective. This requirement is not applicable if you are a candidate or an officeholder who is merely changing campaign treasurers.

TERMINATING A CAMPAIGN TREASURER APPOINTMENT. You may terminate your campaign treasurer appointment at any time by:

- 1) filing a campaign treasurer appointment for a successor campaign treasurer, or
- 2) filing a final report.

Remember that you may not accept any campaign contributions or make or authorize any campaign expenditures without a campaign treasurer appointment on file. You may, however, accept officeholder contributions and make or authorize officeholder expenditures.

If your campaign treasurer quits, he or she must give written notice to both you and your filing authority. The termination will be effective on the date you receive the notice or on the date your filing authority receives the notice, whichever is later.

FILING A FINAL REPORT. For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate. If you have surplus funds, or if you retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for FORM C/OH - UC.*) If you are an officeholder at the time of filing a final report, you may be required to file semiannual reports of contributions, expenditures, and loans as an officeholder.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

To file a final report, you must complete the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (FORM C/OH), check the “final” box on Page 1, Section 9, and complete and attach the DESIGNATION OF FINAL REPORT (FORM C/OH-FR).

ELECTRONIC FILING. All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is entitled to claim an exemption. Please check the Ethics Commission’s website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirements.

GUIDES. All candidates should review the applicable Ethics Commission’s campaign finance guide. Guides are available on the Ethics Commission’s website at <http://www.ethics.state.tx.us>.

Please do not enter a P.O. Box.

- 9. CAMPAIGN TREASURER PHONE:** Enter the phone number of your campaign treasurer, including the area code and extension, if applicable.
- 10. CANDIDATE SIGNATURE:** Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.
- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
 - A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
 - A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
 - Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The degree of consanguinity is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. Examples: (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

PAGE 2

- 11. CANDIDATE NAME:** Enter your name as you did on Page 1.
- 12. MODIFIED REPORTING DECLARATION:** Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semiannual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

EXCEEDING \$500 IN CONTRIBUTIONS OR EXPENDITURES. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular filing schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use the amendment form (ACTA) to renew your option to file under the modified schedule for a different election year or election cycle.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

10. **CAMPAIGN TREASURER STREET ADDRESS:** Complete this section only if your campaign treasurer's street address has *changed*. If your campaign treasurer's street address has changed, enter the complete new address of your campaign treasurer, including the zip code. You may enter either the treasurer's new business or residential street address. If you are your own treasurer, you may enter either your business or residential street address. Please do not enter a P.O. Box.

11. CAMPAIGN TREASURER PHONE: Complete this section only if your campaign treasurer's phone number has *changed*. If your campaign treasurer's phone number has changed, enter the new phone number of your campaign treasurer, including the area code and extension, if applicable.

12. CANDIDATE SIGNATURE: Enter your signature after reading the summary. Your signature here indicates that you have read the following summary of the nepotism law; that you are aware of your responsibility to file timely reports; and that you are aware of the restrictions on contributions from corporations and labor organizations.

- The Texas nepotism law (Government Code, chapter 573) imposes certain restrictions on both officeholders and candidates. You should consult the statute in regard to the restrictions applicable to officeholders.
- A candidate may not take an affirmative action to influence an employee of the office to which the candidate seeks election in regard to the appointment, confirmation, employment or employment conditions of an individual who is related to the candidate within a prohibited degree.
- A candidate for a multi-member governmental body may not take an affirmative action to influence an officer or employee of the governmental body to which the candidate seeks election in regard to the appointment, confirmation, or employment of an individual related to the candidate in a prohibited degree.
- Two people are related within a prohibited degree if they are related within the third degree by consanguinity (blood) or the second degree by affinity (marriage). The *degree of consanguinity* is determined by the number of generations that separate them. If neither is descended from the other, the degree of consanguinity is determined by adding the number of generations that each is separated from a common ancestor. **Examples:** (1) first degree - parent to child; (2) second degree - grandparent to grandchild; or brother to sister; (3) third degree - great-grandparent to great-grandchild; or aunt to niece who is child of individual's brother or sister. A husband and wife are related in the first degree by affinity. A wife has the same degree of relationship by affinity to her husband's relatives as her husband has by consanguinity. For example, a wife is related to her husband's grandmother in the second degree by affinity.

Note: The changes you have made on this form will replace the information on your previous APPOINTMENT form (Form CTA).

13. CANDIDATE NAME: Enter your name as you did on Page 1, Section 1.

14. MODIFIED REPORTING DECLARATION: Sign this option if you wish to report under the modified reporting schedule.

The modified reporting option is not available for candidates for the office of state chair of a political party.

To the left of your signature, enter the year of the election or election cycle to which your selection of modified reporting applies.

Your selection of modified reporting is valid for an entire election cycle. For example, if you choose modified reporting before a primary election, your selection remains in effect for any runoff and for the general election and any related runoff. You must make this selection at least 30 days before the first election to which your selection applies.

An opposed candidate in an election is eligible to report under the modified reporting schedule if he or she does not intend to accept more than \$500 in political contributions or make more than \$500 in political expenditures in connection with an election. The amount of a filing fee paid to qualify for a place on the ballot does not count against the \$500 expenditure limit. An opposed candidate who reports under the modified schedule is not required to file pre-election reports (due 30 days and 8 days before an election) or runoff reports (due 8 days before a runoff). (Note: An *unopposed* candidate is not required to file pre-election reports in the first place.) The obligations to file semi-annual reports, special pre-election reports (formerly known as telegram reports), or special session reports, if applicable, are not affected by selecting the modified schedule.

The \$500 maximums apply to each election within the cycle. In other words, you are limited to \$500 in contributions and expenditures in connection with the primary, an additional \$500 in contributions and expenditures in connection with the general election, and an additional \$500 in contributions and expenditures in connection with a runoff.

Exceeding \$500 in contributions or expenditures. If you exceed \$500 in contributions or expenditures in connection with an election, you must file according to the regular schedule. In other words, you must file pre-election reports and a runoff report, if you are in a runoff.

If you exceed either of the \$500 limits *after the 30th day before the election*, you must file a sworn report of contributions and expenditures within 48 hours after exceeding the limit. After that, you must file any pre-election reports or runoff reports that are due under the regular filing schedule.

Your selection is not valid for other elections or election cycles. Use another amendment form (ACTA) to renew your option to file under the modified schedule.

For more information, see the Ethics Commission's campaign finance guide that applies to you.

GENERAL INSTRUCTIONS

These general instructions apply to all forms required to be filed under title 15, Texas Election Code.

ELECTRONIC FILING

All persons filing campaign finance reports with the Texas Ethics Commission are required to file those reports electronically unless the person is eligible to claim an exemption. Please check the Ethics Commission's website at <http://www.ethics.state.tx.us> for information about exemptions from the electronic filing requirement.

FILLING OUT THE FORMS

All reports filed on paper must be either handwritten in ink or typewritten. If you complete the report by hand, please print everything other than your signature.

If you are filing with the Ethics Commission, you may use your own computer-generated form if it provides for disclosure of all the information required on the commission's form and if it is *substantially identical* in paper size, color, layout, and format. A substitute form that is substantially identical to the commission's prescribed form may be submitted for pre-approval by the commission's executive director.

Always file the cover sheet of the campaign finance report form. You need to file only those schedules on which you have information to report.

You must keep an exact copy of each report filed and all records necessary to complete the report for at least two (2) years after the deadline for filing the report.

If you have questions, please call our office at (512) 463-5800.

ETHICS COMMISSION GUIDES

The Ethics Commission publishes a campaign finance guide for each type of filer. These guides are designed to explain your responsibilities as a filer. The commission encourages you to read the appropriate guide before you begin accepting political contributions or making or authorizing political expenditures.

PHOTOCOPIES OF FORMS

You may use photocopies of Ethics Commission forms. For example, if the space provided on Schedule A is insufficient, you may make copies of a blank Schedule A form and attach more pages as needed.

FILING DATE

For most reporting deadlines, a document is considered timely filed if it is properly addressed with postage or handling charges prepaid and bears a postmark or receipt mark of a common or contract carrier indicating a time on or before the deadline.

Pre-Election Reports. A report due 30 days before an election and a report due 8 days before an election must be *received* by the appropriate filing authority no later than the report due date.

If you are filing with the Ethics Commission, please address your reports and correspondence to the Texas Ethics Commission, P.O. Box 12070, Austin, Texas 78711-2070. For hand-deliveries, the commission's street address is 201 East 14th Street, Sam Houston Building, 10th Floor, Austin, Texas 78701.

If the due date for a report falls on a Saturday, Sunday, or legal holiday, the report is due on the next regular business day.

FORM C/OH: CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT

These instructions are for the CANDIDATE/OFFICEHOLDER CAMPAIGN FINANCE REPORT (Form C/OH). A complete report includes the Form C/OH cover sheet, and any of the following schedules on which there is information to report: A, B, E, F, G, H, I, K, and T.

NOTE: Judicial candidates and officeholders must use a different form, Form JC/OH.

GENERAL INFORMATION

Use Form C/OH for filing the following reports:

- Semiannual reports (January 15 and July 15)
- Pre-election reports (30th day before election, 8th day before election)
- Runoff report (8th day before runoff election)
- Exceeded \$500 limit report
- 15th day after officeholder campaign treasurer appointment
- Final report

See the instructions for Sections 9 and 10 of the cover sheet for help in deciding which reports you are required to file.

OFFICEHOLDER ACTIVITY

An officeholder may make officeholder expenditures and accept officeholder contributions without having a campaign treasurer appointment on file. However, an officeholder must have a campaign treasurer appointment on file before the officeholder may make campaign expenditures or accept campaign contributions.

DUTIES OF CANDIDATE OR OFFICEHOLDER

As a candidate or officeholder, you alone, not the campaign treasurer, are responsible for filing this form. Failing to file a report on time or filing an incomplete report may subject you to criminal or civil penalties.

DUTIES OF CAMPAIGN TREASURER

State law does not impose any reporting or record-keeping obligations on a candidate's campaign treasurer.

WHERE TO FILE

This form is filed with the same filing authority with whom you were required to file your Campaign Treasurer Appointment (Form CTA). If you are an officeholder who does not have a campaign treasurer appointment on file, file your reports with the same authority with which a candidate for your office must file the campaign treasurer appointment.

FILING A FINAL REPORT

For filing purposes, you are a “candidate” as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports *as a candidate*. If you are an officeholder at the time of filing a final report, you will be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are officeholders who file locally, who do not have a campaign treasurer appointment on file, and who do not exceed \$500 in contributions or expenditures during the reporting period.

If you are not an officeholder at the time of filing a final report and if you have surplus funds or retain assets purchased with political funds, you will be required to file annual reports. (*See instructions for Form C/OH-UC.*)

To file a final report, you must complete the “C/OH CAMPAIGN FINANCE REPORT” (Form C/OH), check the “final” box in Section 9 on the cover sheet, and complete and attach the “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH- FR).

COMPLETING THE COVER SHEET

Each numbered item in these instructions corresponds to the same numbered item on the form.

January 15 Report: All candidates and most officeholders must file a semiannual report by January 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, and who do not exceed \$500 in contributions or expenditures during the reporting period.

July 15 Report: All candidates and most officeholders must file a semiannual report by July 15. The only officeholders who are not required to file this report are officeholders who file locally, who do not have a campaign treasurer appointment on file, and who do not exceed \$500 in contributions or expenditures during the reporting period.

8th Day Before Election Report: Opposed candidates who are not filing under the modified reporting schedule must file this pre-election report. The report is due no later than 8 days before the election and must be *received* by the appropriate filing authority no later than the report due date.

Runoff Report: Candidates who are participating in a runoff election must file this report, which is due no later than 8 days before the runoff election and must be *received* by the appropriate filing authority no later than the report due date. This report is not required for candidates who are filing under the modified reporting schedule.

Exceeded \$500 Limit Report: Candidates who chose to file under the modified reporting schedule but then, after the 30th day before the election, exceeded \$500 in contributions or expenditures in connection with the election must file this report within 48 hours after exceeding the \$500 limit.

15th Day After Campaign Treasurer Appointment Report: An officeholder must file this report if he or she appoints a campaign treasurer after a period of not having a campaign treasurer appointment on file. This report is due no later than the 15th day after an officeholder files the appointment of campaign treasurer. It is not required of officeholders who are merely changing their campaign treasurers. Candidates who are not officeholders do not file this report. (This report is not required of an officeholder who

files locally if the officeholder did not exceed \$500 in either contributions or expenditures during the period to be covered by the report.)

Final Report: A person who has a campaign treasurer appointment on file files this report when he or she does not expect to accept any further campaign contributions or make or authorize any further campaign expenditures. This report must have a completed “C/OH REPORT: DESIGNATION OF FINAL REPORT” (Form C/OH-FR) attached.

- 10. PERIOD COVERED:** A reporting period includes the beginning date and the ending date. The *due date* for filing will be *after* the end of the period. Generally, a report picks up where the last report left off. Special pre-election reports (formerly known as telegram reports) and special session reports do create overlaps.

First Reports. If this is the first report of contributions and expenditures that you have filed, the beginning date will depend on the date your campaign treasurer appointment was filed or the date you took office.

- If you are a candidate (a person who has filed a campaign treasurer appointment) and you are filing your first report, the beginning date will be the date your campaign treasurer appointment was filed.
- If you are an officeholder who was appointed to an elective office and who did not have a campaign treasurer appointment on file at the time of the appointment, the beginning date for your first report will be the date you took office.

January 15 (Semiannual) Report: The beginning date is July 1 of the previous year or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The ending date is December 31 of the previous year.

July 15 (Semiannual) Report: The beginning date is January 1 or the day after the last day covered by your last required report, whichever is later. If this is the first report you have filed, please see the “First Reports” section above. The ending date is June 30.

30th Day Before Election Report: The beginning date is the day after the last day covered by your last required report. If this is the first report you have filed, please see the “First Reports” section above. The ending date is the 40th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

8th Day Before Election Report: The beginning date is the 39th day before the election if you were required to file a 30th Day Before Election Report. If you were not required to file the 30th Day Before Election Report, the day after the last day covered by your last required report is the beginning date. If this is the first report you have filed, please see the “First Reports” section above. The ending date is the 10th day before the election. This report is not required for unopposed candidates or candidates who are filing under the modified reporting schedule.

Runoff Report: The beginning date is the 9th day before the main election if you filed an 8th Day Before Election Report. Otherwise, the beginning date is the day after the last day covered by your last required report or the day you appointed a campaign treasurer, whichever is later. The ending date is the 10th day before the runoff election. This report is not required for candidates who are filing under the modified reporting schedule.

Exceeded \$500 Limit Report: The beginning date for the report is either the day you appointed your campaign treasurer or the day after the last day covered by your last required report, whichever is later. The ending date is the day you exceeded the \$500 limit for contributions or expenditures.

15th Day After Campaign Treasurer Appointment Report (officeholders only): The beginning date is either the day after the last day covered by your last required report or the day you began serving an appointment to elective office. The ending date is the day before the campaign treasurer appointment was filed. This report is due no later than 15 days after the campaign treasurer appointment was filed.

Final Report: The beginning date is the day after the last day covered by your last required report. The ending date is the day the final report is filed.

If you are an officeholder without a campaign treasurer appointment on file, or if you have a campaign treasurer appointment on file but you are not a candidate in an upcoming election, you may skip Section 11.

- 11. ELECTION:** If you are a candidate in an upcoming election, provide the following information concerning the upcoming election in which you intend to participate.

Election Date: Enter the month, day, and year of the election in which you intend to participate that most immediately follows the deadline for this report.

Election Type: Check the box next to the type of election that most accurately describes the upcoming election.

Primary - An election held by a political party to select its nominees for office.

Runoff - An election held if no candidate for a particular office receives the vote necessary to be elected in an election requiring a majority vote.

General - An election, other than a primary election, that regularly occurs at fixed dates.

Special - An election that is neither a general election nor a primary election nor a runoff election.

- 12. OFFICE HELD:** If you are an officeholder, please enter the office you currently hold. Include the district, precinct, or other designation for the office, if applicable.
- 13. OFFICE SOUGHT:** If you are a candidate in an upcoming election, please enter the office you seek. Include the district, precinct, or other designation for the office, if applicable.

PAGE 2

- 14. C/OH (CANDIDATE/OFFICEHOLDER) NAME:** Enter your full name.
- 15. ACCOUNT #:** See the instructions for box number 1.
- 16. NOTICE FROM POLITICAL COMMITTEE(S):** Complete this section if you have received notice from a political committee that it accepted political contributions or made political expenditures on your behalf during the period. If you have not received such notice, you may skip this section.

The political committee is required to include in the notice the full name and address of the committee, the full name and address of the committee’s campaign treasurer, and a statement indicating whether the committee is a general-purpose committee or a specific-purpose committee. If the notice also describes the expenditure, do not include the description in this section.

“Additional Pages” Box: If you received notice from more than one committee, check this box and attach an additional page listing the names and addresses of the other committees and of their campaign treasurers.

Committee Type:

General - Check the “GENERAL” box if the notice is from a general-purpose committee.

Specific - Check the “SPECIFIC” box if the notice is from a specific-purpose committee.

Committee Name: Enter the full name of the committee as reported in the notice.

Committee Address: Enter the address of the committee as reported in the notice.

Committee Campaign Treasurer Name: Enter the name of the committee’s campaign treasurer as reported in the notice.

Committee Campaign Treasurer Address: Enter the address of the committee’s campaign treasurer as reported in the notice.

- 17. TOTALS:** Complete this section only after you have completed all applicable schedules.

Line 1. Enter the total of all unitemized contributions (other than pledges or loans or guarantees of loans) of \$50 or less. Do not include any contributions itemized on Schedule A. Enter a “0” if you did not receive any unitemized contributions during the period covered.

On Schedule A, you were required to itemize political contributions that totaled more than \$50 from one person. (Remember: If you received contributions *totaling* more than \$50 from one person during the reporting period, you were required to itemize all of those contributions, even if individual contributions were \$50 or less.) You also had the option

of itemizing contributions of \$50 or less from one person. Do not include any itemized contributions in the total entered on line 1, regardless of amount.

Line 2. Add the total contributions listed on Schedule A to the amount you entered on Line 1. Enter that total on Line 2. Enter a “0” if you did not receive any contributions during the period covered.

Line 3. Enter the total of all unitemized political expenditures of \$100 or less. Do not include any expenditures itemized on Schedules F, G, or H. Enter a “0” if you did not make any unitemized expenditures during the period covered.

On Schedule F, you were required to itemize political expenditures that totaled more than \$100 to one payee. (Remember: If you made expenditures *totaling* more than \$100 to one person during the reporting period, you were required to itemize all of those expenditures, even if individual expenditures were \$100 or less.) You also had the option of itemizing expenditures totaling \$100 or less to one payee. Do not include any expenditures itemized on Schedule F in the total entered on line 3, regardless of amount.

On Schedule G, you were required to itemize political expenditures from personal funds if you intend to seek reimbursement from political contributions. Do not include any expenditures itemized on Schedule G in the total entered on line 3, regardless of amount.

On Schedule H, you were required to itemize payments from political contributions made to certain businesses. Do not include any expenditures itemized on Schedule H in the total entered on line 3, regardless of amount.

Line 4. Add the following:

- (a) the total expenditures listed on Schedule F;
- (b) the total expenditures listed on Schedule G;
- (c) the total expenditures listed on Schedule H; and
- (d) the amount you entered on Line 3.

Enter that total on Line 4.

Enter a “0” if you did not make any expenditures during the period covered.

Line 5. Enter the total amount of political contributions, including interest or other income on those contributions, maintained as of the last day of the reporting period. Enter “0” if you do not maintain political contributions, including interest or other income on those contributions, as of the last day of the reporting period. This is different from the total contributions reported on Line 2. Only contributions accepted during the period covered by the report are entered on Line 2.

The law requires you to disclose the total amount of political contributions accepted, including interest or other income on those contributions, maintained in one or more accounts in which political contributions are deposited as of the last day of the reporting period. The “total amount of political contributions maintained” includes: the total amount

of political contributions maintained in one or more accounts, including the balance on deposit in banks, savings and loan institutions and other depository institutions and the present value of any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks, bonds, treasury bills, etc.

The total amount of political contributions maintained does NOT include personal funds that the filer intends to use for political expenditures, *unless* the personal funds have been disclosed as a loan to your campaign and deposited into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. Any unexpended funds from such a loan are required to be included in the total amount of political contributions maintained as of the last day of the reporting period. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

Line 6. Enter the aggregate outstanding principal amount of all loans accepted for campaign or officeholder purposes as of the last day of the reporting period. This is different from the information reported on Schedule E. It must include outstanding principal of loans made in this reporting period as well as outstanding principal of loans made previously. Enter a “0” if you did not accept any loans during the period covered and have no outstanding loans.

- 18. AFFIDAVIT:** Complete this section only after you have completed all applicable sections and schedules. You must always sign a report that you file. You must complete this section even if you have no schedules to attach. *Only the candidate or officeholder filing the report may sign the affidavit.*

SCHEDULE A: POLITICAL CONTRIBUTIONS OTHER THAN PLEDGES OR LOANS

These instructions are for candidates and officeholders using SCHEDULE A: POLITICAL CONTRIBUTIONS OTHER THAN PLEDGES OR LOANS. Enter on this schedule only information about campaign and officeholder contributions accepted during the reporting period. You are not required to include contributions of an individual's personal services or travel. Do not enter on this schedule information on pledges, loans, or guarantees of loans. (Report pledges on Schedule B; report loans and guarantees of loans on Schedule E.)

You must enter contributions that exceed \$50 from one person during a reporting period on this schedule. If you accepted two or more contributions from the same person, the total of which exceeds \$50, enter each contribution separately. Although you are not required to do so, you may also report contributions from one person that do not exceed \$50 in the period on this schedule. If you do not itemize contributions of \$50 and less on this schedule, you must total all such contributions and report them on the C/OH Cover Sheet, Page 2, Section 18, Line 1.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE A:** After you have completed Schedule A, count the total number of pages. A “page” is one side of a two-sided form.
2. **FILER NAME:** Enter your full name.
3. **ACCOUNT #:** If you are filing with the Ethics Commission, enter your account number. If you do not file with the Ethics Commission, you are not required to enter an account number.
4. **DATE:** Enter the date you **accepted** the contribution.

Accepting a contribution is different from *receiving* a contribution. You accept a contribution when you decide to accept it rather than reject it. This may or may not be the same day that you receive the contribution.

5. **FULL NAME OF CONTRIBUTOR:** Enter the full name of the contributor.

“Out-of-State PAC” box: If the contributor is an out-of-state political committee, check the box. You are not required to include pledges of an individual's personal services or travel. Do not enter on this schedule information on contributions actually received, loans, or guarantees of loans. (Report contributions actually received on Schedule A; report loans and guarantees of loans on Schedule E.)

If you *accept* a *pledge* from a person to give you money, goods, services, or anything of value, that pledge is a reportable contribution and you must include the pledge on this schedule for the report covering the period in which you *accept* the pledge.

Note: See the campaign finance guide for more information on pledges.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE B:** After you have completed Schedule B, count the total number of pages. A “page” is one side of a two-sided form.

Although you are not required to do so, you may also itemize pledges of \$50 or less on this schedule. Sections 5 - 11 pertain to itemized pledges. You must itemize pledges that exceed \$50 in the aggregate from one person during the reporting period. If you received pledges totaling more than \$50 from one person during the reporting period, you must itemize all of those pledges, even if individual pledges were for \$50 or less. 10. PRINCIPAL OCCUPATION OR JOB TITLE: See the instructions for Schedule A, box 9.

11. EMPLOYER: See the instructions for Schedule A, box 10.

You Do Not Need Schedules C And D. These schedules are for political committees to report contributions from corporations and labor organizations. Candidates and officeholders are generally prohibited from accepting such contributions.

SCHEDULE E: LOANS

These instructions are for candidates and officeholders using SCHEDULE E: LOANS. Enter on this schedule only information about loans, and guarantees of loans, accepted during the reporting period for campaign or officeholder purposes.

You must itemize loans that exceed \$50 that you accepted during the period from one person. If you accepted two or more loans from the same person, the total of which exceeds \$50, itemize each loan separately. Although you are not required to do so, you may also itemize loans that do not exceed \$50.

Note: A candidate or officeholder may report political expenditures from personal funds as a loan and may reimburse his or her personal funds from political contributions. Political expenditures made from that loan must also be reported on the “Political Expenditures” schedule (Schedule F). If a candidate or officeholder chooses not to report political expenditures from personal funds as a loan, he or she must report such expenditures on Schedule G.

If a candidate or officeholder deposits personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, the deposited amount must be reported as a loan on Schedule E. Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F. The reimbursement may not exceed the amount reported as a loan. **Note:** Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE E:** After you have completed Schedule E, count the total number of pages. A “page” is one side of a two-sided form.

Although you are not required to do so, you may itemize loans of \$50 or less from persons other than financial institutions on this schedule. If you itemize some loans of \$50 or less, do not include those loans in the total you enter here. If you choose to itemize all loans of \$50 or less, do not enter a total amount here.

Complete Sections 5 - 18 for each loan you are itemizing.

5. **DATE OF LOAN:** Enter the date you accepted the loan.
6. **IS LENDER A FINANCIAL INSTITUTION?:** If you accepted the loan from a corporation that has been legally engaged in the business of making loans for more than one year, circle “Y” for yes. If you accepted the loan from any other source, circle “N” for no. Remember that a loan from a corporation is an illegal corporate contribution unless it is from a corporation that is a financial institution that has been legally engaged in the business of making loans for more than one year.
7. **NAME OF LENDER:** Enter the full name of the person or financial institution that made the loan.

“Out-of-State PAC” box. See instructions for Schedule A, box 5.

Other types of filers are not required to report this information but may do so.

13. **EMPLOYER:** Candidates for and holders of statewide offices in the executive branch and candidates for and holders of legislative offices must disclose the full name of the employer of an individual from whom the candidate or officeholder has accepted a loan (including a pledge of a loan) of \$500 or more during the reporting period. This requirement applies to loans from individuals that are accepted on or after January 1, 2004.

Other types of filers are not required to report this information but may do so.

14. **DESCRIPTION OF COLLATERAL:** If there is no collateral for the loan, check the “none” box and go to # 13. If there is collateral for the loan, enter a description of the collateral for the loan.

15. **“Check if personal funds were deposited into political account” Box:** Check this box *only if* the loan is a deposit of your personal funds into an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code. (Political expenditures made from that loan, and any subsequent expenditures to reimburse the candidate or officeholder, must be reported on Schedule F. The reimbursement may not exceed the amount reported as a loan. Note: Personal funds deposited in an account in which political contributions are held are subject to the personal use restrictions.)

SCHEDULE F: POLITICAL EXPENDITURES

These instructions are for candidates and officeholders using SCHEDULE F: POLITICAL EXPENDITURES. Enter on this schedule only information about political expenditures that were made or authorized during the reporting period. Do not enter on this schedule political expenditures made from personal funds. (Report such expenditures on Schedule G.) Do not enter on this schedule payments from political contributions made to a business that you own or control. (Report those payments on Schedule H.)

See the campaign finance guide for important restrictions regarding the use of political funds to rent or purchase real property.

You must enter expenditures paid to one individual or entity during a reporting period that in the aggregate exceed \$100 on this schedule. If you made more than one expenditure to the same payee, the total of which exceeded \$100, enter each expenditure separately. Although you are not required to do so, you may also report expenditures to one person that do not exceed \$100 in the period on this schedule. If you choose not to itemize expenditures of \$100 and less on this schedule, you must total all unitemized expenditures and report them on the C/OH Cover Sheet, Page 2, Section 18, Line 3.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1. TOTAL PAGES SCHEDULE F:** After you have completed Schedule F, count the total number of pages. A “page” is one side of a two-sided form.
- 2. FILER NAME:** Enter your full name.
- 3. ACCOUNT #:** If you are filing with the Ethics Commission, enter your account number. If you do not file with the Ethics Commission, you are not required to enter an account number.
- 4. DATE:** Enter the date the expenditure was made. The date of an expenditure is not necessarily the date goods or services are received. It is the date on which the obligation to make a payment is incurred, as long as the amount of the payment is “readily determinable.” Generally, the amount of an expenditure is known (and therefore readily determinable) when the obligation is incurred, but in some cases the amount is not known until the receipt of a bill. An amount is readily determinable if the vendor can provide the amount at the filer’s request.

Example: On June 29th, a filer orders political signs. On July 16th, the filer receives the invoice for the signs. The date of the expenditure is June 29th if on that date the vendor can provide the amount the filer will owe the vendor for the signs. Filers should request a vendor to provide the amount of an obligation at the time the obligation is incurred.

Example: Filers will generally not know the cost of a long-distance telephone call until receipt of a monthly (periodic) bill. In that case, the date of the expenditure for the telephone call would be the date the bill was received.

Credit card expenditures. There is a special reporting rule for expenditures made by credit card. For reports due 30 days and 8 days before an election, the date of a credit card expenditure is the date the charge is made. For other reports, the date of a credit card expenditure is the date the credit card statement is received or the date the charge is made. In other words, it is always permissible to report the “date the charge is made” as the date of the expenditure.

5. PAYEE NAME: Enter the full name of the person to whom the expenditure was made.

Note: If the expenditure was made by credit card, enter the name of the vendor who sold you the goods or services, not the name of the credit card issuer.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of the vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under Section 8, “Purpose of Expenditure.”

6. AMOUNT: Enter the exact amount of the expenditure.

7. PAYEE ADDRESS: Enter the complete address of the person to whom the expenditure was made.

8. PURPOSE OF EXPENDITURE: If your expenditure was to purchase or lease goods or services, enter a description of the goods or services so that a person reviewing your report would know what goods or services were purchased or leased. If your expenditure was a contribution to another candidate or officeholder, or to a committee, enter “political contribution” and identify the recipient. For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:

(a) Category: Select a category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

Advertising Expense

Accounting/Banking

Consulting Expense

Contributions/Donations Made By Candidate/Officeholder/Political Committee

Event Expense

Fees

Food/Beverage Expense

Gifts/Awards/Memorials Expense

Legal Services

Loan Repayment/Reimbursement

Office Overhead/Rental Expense

- Polling Expense
- Printing Expense
- Salaries/Wages/Contract Labor
- Solicitation/Fundraising Expense
- Transportation Equipment and Related Expense
- Travel In District
- Travel Out Of District
- Other (Enter your own category, if none of the listed categories apply.)

(b) Description: Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

Description of Expenditure For Out-of-State Travel: The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

(c) “Check if Austin, TX, officeholder living expense” Box: For expenditures made on or after July 1, 2014, check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, including both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure, please see the "Examples of Expenditures" on page 34.

9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER: If you made a direct campaign expenditure to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the expenditure was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS

These instructions are for candidates and officeholders using SCHEDULE G: POLITICAL EXPENDITURES MADE FROM PERSONAL FUNDS. Enter on this schedule only information about political expenditures from personal funds that were made or authorized during the reporting period.

See the campaign finance guide for important restrictions regarding the use of political funds to rent or purchase real property.

If you intend to seek reimbursement *in any amount* from political contributions for a political expenditure made from personal funds, you must either report the expenditure as a loan to yourself on Schedule E or itemize the expenditure on this schedule and check the box in Section 6 to indicate that you intend to seek reimbursement from political contributions. ***You may not correct a report to allow reimbursement.*** If you deposit personal funds in an account in which political contributions are held as permitted by section 253.0351(c) of the Election Code, you must report the deposited amount as a loan on Schedule E. See the Schedule E instructions for additional information.

If you choose to report political expenditures from personal funds on this schedule, make sure you read the following:

Even if you do not intend to seek reimbursement from political contributions for a political expenditure made out of personal funds, you must nonetheless itemize the political expenditure on this schedule if the expenditure exceeds \$100 or if the expenditure along with other expenditures to the same person exceeds \$100. (Exception: You are not required to report *officeholder* expenditures from personal funds if you do not intend to seek reimbursement from political contributions.) Although you are not required to do so, you may also report political expenditures from personal funds totaling \$100 or less to a single person on this schedule, even if you do not intend to seek reimbursement. You must total all political expenditures from personal funds that you do not itemize on this schedule (except for officeholder expenditures for which you do not intend to seek reimbursement from political funds) and include them in the total of unitemized political expenditures on the C/OH Cover Sheet.

Each numbered item in these instructions corresponds to the same numbered item on the form.

- 1 TOTAL PAGES SCHEDULE G:** After you have completed Schedule G, count the total number of pages. A “page” is one side of a two-sided form.
- 2. FILER NAME:** Enter your full name.
- 3. ACCOUNT #:** If you are filing with the Ethics Commission, enter your account number. If you do not file with the Ethics Commission, you are not required to enter an account number.
- 4. DATE:** Enter the date the expenditure was made. See the instructions for Schedule F, box 4.

5. **PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

Note: If the expenditure was made by credit card, enter the name of the vendor who sold you the goods or services, not the name of the credit card issuer.

Note: If you make an expenditure for goods or services to benefit another candidate, officeholder, or committee, enter the name of vendor who sold you the goods or services. Do not enter the name of the person for whose benefit you made the expenditure. Include that information under Section 8, “Purpose of Expenditure.”

6. **AMOUNT:** Enter the exact amount of the expenditure.

“Reimbursement From Political Contributions Intended” Box: Check this box if you intend to reimburse yourself for the expenditure. (In order to be reimbursed from political contributions in any amount for an expenditure made out of personal funds, you must itemize the expenditure on this schedule and check this box or you must report the expenditure as a loan to yourself on Schedule E.)

7. **PAYEE ADDRESS:** Enter the complete address of the person to whom the expenditure was made.

8. **PURPOSE OF EXPENDITURE:** If your expenditure was to purchase or lease goods or services, enter a description of the goods or services so that a person reviewing your report would know what goods or services were purchased or leased. For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:

(a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. Examples of acceptable categories include:

The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

Description of Expenditure For Out-of-State Travel: The description of a political expenditure for travel outside of the state of Texas must include detailed information. Please report this information on Schedule T.

- (c) **“Check if Austin, TX, officeholder living expense” Box:** For expenditures made on or after July 1, 2014, check this box if the expenditure is an officeholder expense for living in Austin, Texas.

For examples of acceptable ways to disclose the purpose of an expenditure, including both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure, please see the "Examples of Expenditures" on page 34.

SCHEDULE H: PAYMENT FROM POLITICAL CONTRIBUTIONS TO A BUSINESS OF C/OH

These instructions are for candidates and officeholders using SCHEDULE H: PAYMENT FROM POLITICAL CONTRIBUTIONS TO A BUSINESS OF C/OH. Enter on this schedule only information about payments from political contributions that were made to a business in which you have an interest of more than 10%, a position on the governing body, or a position as an officer. Do not enter on this schedule other payments from political contributions authorized during the reporting period.

See the campaign finance guide for a discussion on the important restrictions on making and reporting payments from political contributions to a business in which you have an interest.

This schedule is for payments to a business in which you have one or more of the following interests or positions:

- 1) a participating interest of more than 10%;

8. **PURPOSE OF EXPENDITURE:** If your payment was to purchase or lease goods or services, enter a description of the goods or services so that a person reviewing your report could know what goods or services were purchased or leased. For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:

The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. 9. DIRECT CAMPAIGN EXPENDITURE TO BENEFIT CANDIDATE/OFFICEHOLDER:

If the payment was a “direct campaign expenditure” to benefit another candidate or officeholder, enter the full name of the candidate or officeholder and the name of the office sought or held, including the district, precinct, or other designation of the office, as applicable. (Attach additional sheets to list multiple candidates.) Do not complete this section if the payment was not a direct campaign expenditure.

A “direct campaign expenditure” to benefit another candidate is not a “political contribution” to that other candidate. A direct campaign expenditure is a campaign expenditure that you make on someone else’s behalf and without the prior consent or approval of that person. This is in contrast to a political contribution, which the person has the opportunity to accept or reject.

Example: If you made expenditures to prepare and distribute an endorsement letter in support of a candidate after first asking for and getting the candidate’s approval, you made an *in-kind contribution*. However, if you did not get the candidate’s approval *before* you made the expenditure, you made a *direct campaign expenditure*.

SCHEDULE I: NON-POLITICAL EXPENDITURES MADE FROM POLITICAL CONTRIBUTIONS

These instructions are for candidates and officeholders using SCHEDULE I: NON-POLITICAL EXPENDITURES MADE FROM POLITICAL CONTRIBUTIONS. Enter on this schedule only information about non-political expenditures from political contributions made or authorized during the reporting period. Do not enter political expenditures on this schedule. (Report political expenditures on Schedule F. Report political expenditures made from personal funds on Schedule G.)

You must enter all non-political expenditures from political contributions on this schedule, regardless of the amount. A non-political expenditure is an expenditure that is neither a campaign expenditure nor an officeholder expenditure. Expenditures for administrative expenses, banking fees, and professional dues are typically political expenditures. As a practical matter, *very few* expenditures made from political contributions are non-political expenditures. Remember that you may not convert political contributions to personal use.

Each numbered item in these instructions corresponds to the same numbered item on the form.

1. **TOTAL PAGES SCHEDULE I:** After you have completed Schedule I, count the total number of pages. A “page” is one side of a two-sided form.
2. **FILER NAME:** Enter your full name.
3. **ACCOUNT #:** If you are filing with the Ethics Commission, enter your account number. If you do not file with the Ethics Commission, you are not required to enter an account number.
4. **DATE:** Enter the date the expenditure was made. See the instructions for Schedule F, box 4.
5. **PAYEE NAME:** Enter the full name of the person to whom the expenditure was made.

For expenditures made on or after July 1, 2010, you must disclose the purpose of the expenditure in two parts:
 - (a) **Category:** Select a category of goods, services, or other thing of value for which an expenditure is made. Examples of possible categories of non-political expenditures are listed below. Travel Out Of District
Other (Enter your own category, if none of the listed categories apply.)

- (b) Description:** Enter a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure. The brief statement or description must include the item or service purchased and must be sufficiently specific, when considered within the context of the description of the category, to make the reason for the expenditure clear. Merely disclosing the category of goods, services, or other thing of value for which the expenditure is made does not adequately describe the purpose of an expenditure.

For examples of acceptable ways to disclose the purpose of an expenditure, including both a description of the category of goods or services received in exchange for the expenditure and a brief statement or description of the candidate or officeholder activity that is conducted by making the expenditure, please see the "Examples of Expenditures" on page 34.

You Do Not Need Schedule J. This schedule is for political committees to report contributions that were returned to the committee. Candidates and officeholders are required to report returned contributions and other types of gains from political contributions on Schedule K.

FORM C/OH-FR: DESIGNATION OF FINAL REPORT

These instructions are for candidates and officeholders using Form C/OH-FR: C/OH REPORT: DESIGNATION OF FINAL REPORT. A final report must include this form (Form C/OH-FR) and the CAMPAIGN FINANCE REPORT (Form C/OH) with the "Final Report" box checked on Page 1, Section 9. It must also include Schedules A, B, E, F, G, H, I, K, and T, as applicable.

GENERAL INFORMATION

For filing purposes, you are a "candidate" as long as you have an appointment of campaign treasurer on file. If you do not expect to accept any further campaign contributions or to make any further campaign expenditures, you may file a final report of contributions and expenditures. A final report terminates your appointment of campaign treasurer and relieves you of the obligation of filing further reports as a candidate.

If you do not have an appointment of campaign treasurer on file, you may not accept *campaign* contributions or make *campaign* expenditures. A payment on a campaign debt is a campaign expenditure. An officeholder who does not have an appointment of campaign treasurer on file may accept *officeholder* contributions and make *officeholder* expenditures.

The effect of filing a final report differs depending on whether you are an officeholder at the time you file a final report.

If you are an officeholder at the time of filing a final report, you will not have to worry about surplus political funds and assets until you cease to be an officeholder. You may still be required to file semiannual reports of contributions and expenditures as an officeholder. The only officeholders who are not required to file semiannual reports are local officeholders who do not exceed \$500 in contributions or expenditures during the reporting period. If you cease to be an officeholder at a time when you do not have a campaign treasurer appointment on file, *and you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions after filing the last required report as an officeholder*, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year following the year in which you filed the last required report as an officeholder. You may not retain these unexpended funds longer than six years after the date you ceased to be an officeholder.

If you are not an officeholder at the time of filing a final report, you will no longer be required to file reports *unless you retain political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions*. If you retain any of those items, you must file an annual report of unexpended contributions not earlier than January 1 and not later than January 15 of each year after the year in which you filed your final report. You may not retain these unexpended funds longer than six years after the date of filing a final report.

At the end of the six-year period, you must dispose of unexpended political contributions, interest or other income from political contributions, or assets purchased with political contributions or interest or other income from political contributions in one of the following ways:

- 1) You may give them to the political party with which you were affiliated when your name was last on the ballot.
- 2) You may give them to a candidate or a political committee. If you do so, however, you must file a report on Form SPAC as described in the instructions for the CANDIDATE/OFFICEHOLDER REPORT: UNEXPENDED CONTRIBUTIONS (Form C/OH-UC).
- 3) You may give them to the comptroller for deposit in the state treasury to be used to finance primary elections.
- 4) You may give them to one or more persons from whom you received political contributions, but the total returned to any person may not exceed the aggregate amount accepted from that person during the last two years during which you were accepting political contributions.
- 5) You may give them to a recognized charitable organization formed for educational, religious, or scientific purposes that is exempt from taxation under Section 501(c)(3), Internal Revenue Code of 1986, and its subsequent amendments.
- 6) You may give them to a public or private post-secondary educational institution or an institution of higher education as defined by Section 61.003(8), Education Code, for the purpose of assisting or creating a scholarship program.

You may dispose of unexpended contributions in any of those ways at any time during the six-year period.

Once you have disposed of all your contributions and assets, you must file your final disposition of unexpended contributions report. Use Form C/OH-UC, but select “Final Disposition” instead of “Annual” in Section 4. You may file this report any time after you have disposed of all campaign or officeholder contributions and assets. (A report of the disposition of unexpended contributions must be filed by the 30th day after the date the six-year period ends.)
