

COLLIN COLLEGE
ASSOCIATE DEGREE OF NURSING

APPLICATION CHECKLIST

Application Deadline: January 31st (Fall) and July 31st (Spring)

Submit the following to the Nursing Office:

- _ Completed ADN Nursing Program Application
- _ Official college/university transcripts from all schools attended.

Proficiency Test:

- _ PSB Nursing School Aptitude Exam
Contact the nursing office for available dates: 972-548-6772. The test is comprised of five separate tests that measure abilities, skills, knowledge and attitudes for important for success in the program .

Pre-requisite courses which must be completed prior to admission:

- _ BIO 2401 (Anatomy & Physiology I)
- _ BIO 2402 (Anatomy & Physiology II)
- _ BIO 2420 (Microbiology)
These courses must be completed within 5 years of application deadline and with a 2.5 GPA.
***We strongly recommend that you take MATH 1342 – Statistics if you will be seeking a BSN*

Immunizations:

All immunizations must be completed PRIOR to beginning clinicals in the nursing program. Failure to provide current immunization records upon application will result in students not being considered for the program. Students conditionally accepted must be able to complete all required immunizations by the start of the semester admitted or they will forfeit their position.

- Measles, Mumps & Rubella (MMR) - 2 shots if born after January 1, 1957; one if before.
- Tetanus-Diphtheria (DTaP) - Tetanus-Diphtheria-Pertussis (within last ten years)
- Hepatitis A - 2 shots (6 months apart)
- Hepatitis B series - 3 shots over 7 months
- Varicella - 2 shots unless first dose prior to 13 years of age (Serologic confirmation of immunity is accepted)
- TB Tine/CXR within three months of clinicals
- Flu Vaccination prior to the 1st day of class

Serologic confirmation okay for any of the above except Tetanus
