4. [FK \(LOCAL\)](#): Student Activities and Athletics

#### **Purpose**

To ensure student safety is a priority and comply with [Section 51.950](#) of the [Texas Education Code](#), these procedures are intended to assist students in safe travel for Collin College-sponsored trips.

#### **Failure to Comply with Student Travel Procedures**

Failure to comply with Collin College's student travel procedures is a violation of the *Student Code of Conduct*, and will result in disciplinary action with the District Dean of Students Office. For more information, see the student disciplinary procedures sections in the *Student Code of Conduct* located in the current [Collin College Student Handbook](#).

#### **Definition of Student Travel**

In accordance with [Section 51.950](#) of the [Texas Education Code](#) and Board policy [CJ \(LEGAL\)](#), student travel is defined as travel that is undertaken by one (1) or more students presently enrolled at Collin College to reach an activity or event that is located more than 25 miles from the Collin Higher Education Center that is organized and sponsored by Collin College and that is:

1. Funded by Collin College, and the travel is undertaken using a vehicle leased by the institution; or
2. Required by a student organization registered at Collin College regardless of whether the student organization requires its members to attend.

For purposes of this policy, "student organization" means a fraternity, sorority, association, corporation, order, society, corps, club, or student government; a band or musical group; an academic, athletic, cheerleading, or dance

team, including any group or team that participates in [National Collegiate Athletic Association \(NCAA\)](#) or [National Junior College Athletic Association \(NJCAA\)](#) competition; or a service, social, or similar group, whose members are primarily students.

A maximum of 18 students and a minimum of two (2) responsible parties are allowed to travel for an approved trip. Travel requests for groups larger than the maximum size of 18 students and two (2) responsible parties will be considered an exception requiring administrative review and approval by the vice president of student and enrollment services and/or the appropriate campus provost.

### **Travel Approval**

All student travel must be approved in advance. Student travel requests will be made in accordance with Collin College procedures and considered on a case-by-case basis. Student travel may be prioritized for students presenting research, traveling as part of a curricular expectation, representing Collin College in a competition, participating in a departmentally sponsored event, and/or representing a registered student organization as an officer.

Responsible parties should consult with their supervisors regarding travel that may be required for an academic class or program other than travel to approved clinical and lab sites. Responsible parties and their supervisors should be

aware that all students may not have access to transportation to and from a location, and they may need to have an alternative assignment available to accommodate these students.

Prior to travel, each minor student must inform the responsible party they are under the age of 18. The responsible party must provide their supervisor and the appropriate custodian of records with a list of the names of all minor students attending the trip. Additionally, all responsible parties traveling with minor students must complete the online “Protecting Youth” training prior to the trip. For additional information and to obtain access to this online training, contact the Human Resources Office at 972.985.3783.

### ***Trip and Participants' Information Form***

Every responsible party overseeing overnight travel must complete a *Trip and Participants' Information Form* for each trip. The responsible party must keep a copy of each *Trip and Participants' Information Form* in their possession throughout the duration of each trip. A copy of each *Trip and Participants' Information Form* must be on file with the appropriate custodian of records prior to departure.

## **Behavior**

### **Behavior and Professional Decorum**

Students must adhere to the *Student Code of Conduct*, applicable Board policies, and Collin College procedures. For additional information, see the *Student Code of Conduct* located in the current [Collin College Student Handbook](#).

Responsible parties must adhere to the *Employee Standards of Conduct*, applicable Board policies, and Collin College procedures. For more information, see Board policies [DH \(LOCAL\)](#) and [DH \(EXHIBIT\)](#).

Students and responsible parties will be expected to arrive at programs and events on time and attend all sessions. Attending optional activities will be at the discretion of each individual.

### **College Time**

Additionally, students and responsible parties should not leave food or non-alcoholic drinks unattended or accept food or an open non-alcoholic drink from an unknown person. For more information regarding Collin College’s policies on alcohol and controlled substances, see the *Student Code of Conduct* located in the current [Collin College Student Handbook](#).

The following policies apply to all students and responsible parties participating in any form of student travel.

### **Alcohol and Controlled Substances**

When on Collin College property or while attending Collin College-sponsored activities on or off campus, a student or responsible party will not, or attempt to, possess, have under their control, manufacture, deliver, distribute, sell, purchase, use, or be under the influence of:

1. Alcohol;
2. Any controlled substance as defined by the [Texas Controlled Substances Act](#);
3. Abusable volatile chemicals in violation of the manufacturer’s directions;
4. A dangerous drug, as defined by state or federal law;
5. Steroids;
6. Substances referred to as designer drugs; or
7. Any other intoxicant or mood-changing, mind-altering, or behavior-altering drugs.

In addition, a student or responsible party will not inappropriately or illegally use over-the-counter medications, prescription medications, inhalants, herbal/natural euphorants, and/or look-alike products or anything represented to be one (1) of these substances.

### **Paraphernalia**

A student or responsible party will not possess any pipe, instrument of contrivance, hypodermic syringe, needle, or any instrument adapted for the use of smoking, injecting, or ingesting any narcotic or hallucinatory drug.

### **Definition of Possession**

Possession means actual care, custody, control, or management, and includes the act of taking control or occupancy of property without regard to the ownership of the property. Possession is a voluntary act if the possessor knowingly obtains or receives the item possessed or is aware of their control over the item for a sufficient time to permit the student to terminate their control. In addition, items in a car under the care, custody, control, or management of the student or responsible party will be in the student's or responsible party's possession.

### **Exceptions**

It will not be considered a violation of this policy if the student or responsible party:

1. Uses or possesses a controlled substance or drug authorized by a licensed physician through a prescription specifically for that student's use;
2. Possesses a controlled substance or drug that a licensed physician has prescribed for the student's child or other individual for whom the student is a legal guardian;

### **Down-Time and Off-Site Excursions**

Students who want to go off-site for any reason must obtain permission from a responsible party. If permission is granted, the responsible party will ensure students are traveling in groups of at least three (3) people and at least one (1) responsible party must travel with the students.

### **Health and Safety Considerations**

#### **Health Considerations and Medical Information**

All students and responsible parties are required to adhere to federal, state, and local health regulations for the duration of each trip. If students feel comfortable doing so, they may want to consider sharing important medical information (e.g., medical conditions, prescription medications) with a responsible party. Additionally, students and responsible parties may want to consider wearing a medical ID bracelet, medical ID dog tag, and/or updating their medical information in the medical ID/emergency application on their cell phones.

#### **Personal Safety Considerations**

Students and responsible parties should use good judgment and trust their instincts. If something feels wrong, it usually is. If a student has a concern, they should talk to a responsible party, hotel staff, security, etc., immediately.

Be careful about wearing nametags or other identifying information away from the event site. These documents notify criminals that students and responsible parties are visitors to the area, which could make them potential targets.

Make sure hotel room doors are always closed and locked. Do not leave doors open while getting ice or going to the vending machine.

Before answering the hotel room door, identify who is on the other side of it. If there is a peephole, use it. If a hotel staff member is at the door and assistance was not requested, contact the front desk or hotel security before allowing anyone to enter the room.

## **Emergencies**

In case of an emergency students should:

1. Follow the contact procedures established by a responsible party,
2. Dial **911** and report the emergency, and

In case of an emergency responsible parties should:

1. Dial **911** and report the emergency,
2. Notify the responsible party's immediate supervisor, and
3. If a student is involved, notify the student's emergency contact.

## **Weapons and Collin College Travel**

No violation of this policy occurs when the use, possession, or display of an otherwise prohibited weapon takes place as part of a Collin College-approved activity supervised by proper authorities.

The storage or transportation of a firearm or ammunition is allowed by Collin College students, faculty, staff, and employees if the individual is authorized to such possession in a locked, privately owned or leased motor vehicle on those specific premises allowed by law and described in Board policy [CHF \(LEGAL\)](#).

This policy applies to persons traveling in Collin College-owned vehicles. However, the policies of the owner of the vehicle apply when private or commercial transportation is used for Collin College travel. For more information, see Board policies [CHF \(LEGAL\)](#) and [CHF \(LOCAL\)](#).

## **Travel Exceptions**

A student who needs to request an exception to the student travel procedures including, but not limited to, leaving a trip early, staying late, traveling in a different manner from the group, etc., must complete the *Release of Liability via Alternative Transportation Form*. The student must submit the completed *Release of Liability via Alternative Transportation Form* to the responsible party at least five (5) academic calendar days prior to the departure date. The responsible party will submit the *Release of Liability via Alternative Transportation Form* through the appropriate approval pathway for consideration. The student will be allowed a travel exception only if the *Release of Liability via Alternative Transportation Form* is approved by all signatories in the approval pathway.

The *Release of Liability via Alternative Transportation Form* is available on the [Student Travel Training webpage](#).

## **Travel Commitment and Reimbursement**

If a student is unable to attend the trip and Collin College funds have been allocated or paid on their behalf, the student will be responsible for reimbursing Collin College the full amount, in accordance with Bursar/Cashier's Office requirements and timelines. If refunds are available (e.g., conference registration fees, hotel fees, plane tickets), the student is responsible for requesting them. **Neither Collin College nor any of its representatives will seek refunds on the student's behalf.** A hold will be placed on the student's account and transcripts until they have reimbursed Collin College the full amount.
